On 4th August, Saturn has entered Libra once again in the past nine months. It had come into Tula in November 2011 but had gone back to Virgo for a short stay there on 17th May 2012. Now, for the next 28 months it will be constantly in stay in Libra producing its best and worst results on the life on Earth.

Also, a few days ago on 31st July 2012, Shukra has ended its prolonged four month long stay in Vrishabh and now it is in Mithun Rashi till 1st September 2012. Budh is in Cancer till 29th August 2012 and Mars has entered Libra on 14th August 2012. Sun too is in Cancer and will enter its swagrahi sign Leo on 17th August 2012.

Jupiter is still in Taurus and will stay there till June 2013. Rahu-Ketu are also going to stay in Scorpio-Taurus till end of December 2012. This is a short summary of the planetary transits as of today.

The effect of these planetary transits on the twelve moon signs and ascendants will be as follows (For next one month) -

1. Aries - Mesh: Stability and progress in job and business, increase in income, better health, improvement in health of parents, family happiness.
2. Taurus - Vrishabh: Change in business strategy, change of job, increase in income, gains from real estate, deterioration of father's health, foreign travels, better relations with spouse.
3. Gemini - Mithun: Birth of child in family, sudden and big changes in profession, travels abroad, increase in expenditure, strained relations with parents, litigation and health problems for self.
4. Cancer - Karka: Increase in income, change of residence, good gains in business, change of job, frequent short distance and short term journeys, health problems related to heart and lungs, problems of safety and well being of parents.
5. Leo - Simha: Short term travels, conflicts in marital life, disagreement with business partners, health issues like hypertension and cardiac problems.
6. Virgo - Kanya: Monetary gains, business gains, travel abroad, new love in life, break up of an existing romantic relationship.
7. Libra - Tula: Firm decisions in business, better performance at work, increase in income, gains from offshore business, high vulnerability to injuries and accidents, disputes related to real estate.
8. Scorpio - Vrischik: Health problems, legal issues, monetary losses, marital conflicts, short
