After a stay of around 19 months in the sign of Libra and being in a constant yuti with Saturn there Rahu is entering Virgo today. Ketu, which is the opposite end of the Rahu-Ketu axis also changes signs and leaves Aries to enter Pisces. This transit of Rahu in Kanya and Ketu in Meen will be till 30th January 2016. This change of signs finally ends the tumultuous combination of Saturn and Rahu in the sign of Libra. The exalted Saturn which will stay alone in Libra now will be able to show its full effects again.

The next Rahu-Shani yuti will be from 29th March 2025 to 18th May 2025. And, the next Rahu-Shani yuti in Tula will be from 11th October 2161 to 23rd November 2161.

Rahu and Ketu have previously transited in the Kanya and Meen rashis respectively from 6th December 1995 to 24th June 1997. The next such transit after the present 2014-15-16 one will be from 16th February 2033 to 5th September 2034.

Rahu in Virgo and Ketu in Pisces will bring some new technological advancements all over the world. Business will grow and economic recovery will happen in many nations. But, religious fundamentalism will increase at the same time and it will pose a big problem all over the world.

In India, there will be increased unrest in the minds of the common people. Political situation will stay stable for the first six months but thereafter the infighting and backstabbing will begin. Although the revenue generation by the government will be higher than before there will be deficiencies in the proper utilization of the earned revenue for the benefit of the masses.

Rahu in Virgo and Ketu in Pisces usually cause some severe weather conditions and great loss of lives too as a result. Chances of mishaps in aviation sector are quite high during this transit. But, this Rahu-Ketu transit will also create better networking between the different airlines and more places and people will be connected through them. Other sectors of transport like railways, shipping and road transport will also progress well.

The effect of Rahu in Kanya and Ketu in Meen on the twelve ascendants and moon-signs will be as follows:

1. Aries - Mesh: Removal of obstacles in profession; good progress in career; increase in income; better relations with spouse, friends and colleagues; increase in expenses; long distance travels; change of residence.
2. Taurus - Vrishabh: Better situation at workplace, change of job; better health; slight improvement in relations with superiors at work; increase in worries about welfare of children and dependents; huge monetary gains; disturbance or alteration in the course of education; better circle of friends and better business contacts.
3. Gemini - Mithun: Eagerness for a big change in profession; joblessness for a few months; new job in a totally new area of work; change in business; acquisition of new property; troubles in matters related to real estate and residence; change of residence; health problems for
