

Work related journey may take you to far away places combining pleasure with work this Sunday. Be careful about the safety of yourself and your belongings on this journey. Some news about business gains from a long distance deal may also come on Sunday, says Jyotish Biz.

Friends from far away lands may come in touch with you after a long time on Monday and Tuesday. A sale of property may go through. A purchase of a new property may be planned or initiated. Education of your children may become important as you calculate the future investments for them.

Wednesday can be a little damaging for the health of your children. Discourage any useless expenditures done by them and keep an eye on their activities. Your own expenditure on things of luxury may increase. Your savings may take a big hit as a result.

Your relations with your parents may improve on Thursday. Some good news on family front may arrive. A vacation with family in near future may be planned by you. Again, money goes out of hand in making arrangements for this planned vacation. Productivity at work may go down due to your own laziness.

A travel again may come up this Friday and Saturday but it will not be a comfortable journey. Some friends may not be so comfortable after meeting you. Chances of an accident and damages to your vehicle are possible.
