

This Sunday focus on your health and your ego. Some strains with your in-laws may develop due to some mutual misunderstandings. Keep yourself out of trouble by limiting your interactions and responses with your relatives on this day. Once this day passes away things will get back to normal.

Your wealth may be reviewed by you this Monday and Tuesday. Your investments and your savings may need a rechecking. Avoid giving loans to anyone on these two days. Money could become a reason for discontent in your family. Handle things with care.

Your contributions to your neighbourhood will be appreciated this Wednesday. Income from offshore projects and businesses increase. Your friends from other cities may pay you a surprise visit on Thursday. Mother's health may take a downturn due to respiratory problems.

Friday is favorable for searching for better options for business in distant lands. A sibling's marriage related plans may be formulated on this day. Your own financial condition and health will improve. Your interest in occult or astrology may also increase, says Jyotish Biz.

Drive your vehicle safely this weekend. Cardiac troubles can put you down. Do not make any decisions about any real estate this weekend.
