

You may try to prove that you are a true friend to a friend who is in need this Sunday. But, this helpful gesture of yours may make things go bad for your friendship. Any involvement of money in your friendship may prove disastrous for your bonhomie. A problem related to a real estate in your possession may raise its head again.

A friend may get interested romantically in you and you may not be able to ignore this attention this Monday and Tuesday. What starts as trivial flirting on Monday may turn into serious romantic persuasion on Tuesday. The situation may turn ugly if it is not handled with caution, says Jyotish Biz.

Wednesday is a good day for those who are changing jobs or applying for new jobs. But, the health must be taken care of on this day. For the female natives this day may bring some bad and unpleasant experiences. Stay cautious and avoid getting into tricky situations.

A difficulty related to your residence may start troubling you once again on Thursday. Lack of finances may cause the cessation of the plans for aesthetic changes at home. A close friend may get involved in an accident or some other form of physical damage on Friday. Avoid going on any long drives with your friends.

Friends from distant places will get in touch with you on Saturday. Unexpected monetary gains from business deals done out of your city will take place.
