

Intimacy with friends may turn to unexpected rivalry this Sunday. Loans taken from friends in past may become big issues now. A child of yours may get into trouble. For students, the prospects for their education may become better but more unattainable at the same time, says Jyotish Biz.

A personal vehicle could need some urgent expenditure of already scarce money due to the negligence of one of your children or an employee of yours, this Monday. Tuesday may be bad for your own health and for your mother's health too. A dispute may arise with a neighbour over a trivial matter.

Wednesday is favorable for taking personal loans or loans for business. Romantic encounter with interesting people are possible. You will get more expressive about your true emotions and you will expect the same from your romantic partners too.

Those who are eager to possess a new car or a new residence may get such a chance on Thursday and Friday. But, these gains will not be without a wastage of time, energy and money. Parental interference in your personal life may turn irritating. But, in these two days cupid keeps its arrows pointed at you.

Weekend brings good news on family front. A property sale may bring much needed money in your hand. Overall, it will be an enjoyable weekend for you.
