

Aquarius - Kumbh - Moon Sign - 2010 - Forecast.□

A year which can be divided in two equal halves with, work related disturbances, legal problems, financial gains but increased insecurity in first half, and family happiness, better performance at work and increase in wealth in the second half.

The new year begins difficulties in career and increased challenges at work for the Aquarius Rashi people but it ends with a lot of overall gains and with happiness in heart. A good year for Kumbh Rashi people to get into serious long term relationships.

Health: For Aquarius Rashi people 2010 brings health issues like heart problems, blood pressure, lung disease and problems of the muscles and the ligaments. These problems will be more intense in the first five months and they will gradually become less severe as the year progresses.

Those who are prone to gain weight quite easily have to watch what they eat in 2010. Eat a healthy diet and perform exercises like Yoga, Pranayam and Aerobics regularly.

Job: In job sector the Aquarius (Kumbh) Moon sign born people are facing some serious issues and difficulties which refuse to get solved since October 2009. The situation can get worse with verbal brawls at office place with co-workers and superiors.

Income increases but the efforts made to increase the flow of money may not be ethical. This can cause a serious backlash costing your job. So, be careful about what you do and do not get yourself involved in politics at your workplace.

Rivalries and competition will increase and the comfort level decreases your work place in the first half of 2010. The time after June 2010 improves the situation considerably and the months of October and November 2010 will give much more than what was lost in the early part of the

year. Bonuses, promotions and incentives along with increased respect and recognition at workplace will make Aquarius Moon Sign born people very satisfied in their jobs.

New job offers and openings will come your way in July 2010 and in December 2010. These will be very lucrative offers worthy enough to be grabbed without a second thought.

Business: Those Aquarius (Kumbh) Moon Sign people who are in businesses related to consulting, finance, recycling and waste management will do very well in 2010 and the jump in business will be observed from the very beginning of 2010.

But, for other industries and businesses, the growth may be delayed till September 2010.

In first half of 2010, legal hassles will become more bothersome. Business disputes, both present and past, will demand to be solved at the earnest but somehow they will get more complicated with each attempt at their solution. This will go on till June 2010.

In July and August 2010, useful and permanent solutions to these legal problems will be found providing great relief to the Kumbh Rashi businesspersons.

For Business gains the best months are August, September and November 2010 for all Aquarius moon sign entrepreneurs.

New business partnerships should be avoided in first half of 2010. The months of September and December 2010 are very favorable for forming business collaborations and partnerships.

Wealth: Past investments in stocks, bonds and deposits will give profitable returns between January to May 2010. Kumbh Rashi people will make profits by redeeming their stocks, bonds and funds in March 2010. This will increase their cash in hand considerably but the hunger for money also increases to great levels at the same time.

The last four months of 2010 bring increase in assets like real estate and bank deposits. More long term investment will be done in stocks and bonds in the months of September and November 2010.

Education: For Aquarius or Kumbh Rashi born students 2010 is a year to put in more than normal effort and energy in studies. Take care of the health as sudden illnesses can come up at the time of important examinations.

The first four months and the last four months of 2010 are favorable for appearing in important examinations and for applying for admissions to good educational institutions. The last four months, from September to December 2010 are beneficial with regards to applying for educational scholarships.

Residential property can be acquired in May 2010 and in October 2010. Do not sell any real estate which you own in 2010. If possible wait for 2011 to do so.

Vehicle: Be careful of road rage while driving in the first five months of 2010. Get your vehicle insured against burglary and theft. Make them more secure and safe.

Aquarius Moon Sign born will be tempted to buy a luxurious vehicle in April 2010 but they are advised to wait till September 2010. September and October 2010 are highly favorable months for buying your dream vehicle.

Love: Aquarius (Kumbh) Moon Sign born people will find their romantic partners and they will get into long term relationships with them in 2010. The months of May, July, October and December 2010 have the planets placed in yogas which will give plenty of romantic moments to the Kumbh Rashi born.

In 2010, love will be found at first near your home in May 2010. Then, later in October 2010 romance blooms in distant lands. Your chances of getting into intimate relations with your fellow travelers are quite high.

Marriage: 2010 is a very auspicious year for getting married for Kumbh Rashi people. Jupiter, the Karak for marriages gives its pious blessings to those who are planning to tie the knot in 2010.

The best months to get married are April, May and December 2010. Out of these three months December 2010 brings the best benefits of the auspicious planets Jupiter and Venus. This is also the best time to get married.

Family: For Aquarius (Kumbh) Moon Sign born people father's health can become the main priority from January 2010 to June 2010. Hospitalization and increased expenses on his treatment may arise. Be prepared and get your family health insurance policy up to date and be in touch with your family physician.

Your mother will gain much respect in her social circle in the last six months of 2010. Your parents will be spending a lot on their comforts with some items coming as a gift from you.

Improved relations will bring more bonhomie with the siblings and their spouses from September to December 2010.

Those Aquarius Rashi born who have plans to have children in near future should plan for a conception between January to April 2010 and in September and October 2010. This is also a favorable time for those who are awaiting a birth of a child or are trying to adopt a child legally.

Travels: Aquarius Rashi born should desist from traveling to long distances in the first five months of 2010. Such travels can cause harm to the health and the purpose of the travels may be left unfulfilled.

The best time to undertake journeys is in October and November 2010. These travels will enable you to enjoy the maximum and to gain the most out of your travel. The last four months will take the Kumbh Rashi people to places of great religious and spiritual importance.

2010 brings many sudden, unnecessary and avoidable requirements of going on a journey. Avoid them and stay in good health.

Remedies: Strictly avoid wearing Red in the first five months of 2010. You can wear it freely afterward. Also, in 2010 wear less of yellow and white. Wear more of Blue, Green and Grey.

Donate jaggery, milk and Red and white garments. These donations can be done on Tuesdays and on Mondays.

Keep fasts on Mondays in 2010. Eat one full meal and take fruits at other meal times.

Wear a White Sapphire in silver ring on ring finger. Also, wear an Emerald in gold ring on little finger.
