

**Prashanth Jayanna** Asks: My concern is over marriage. no proposal seems to materialize completely and it falls through at the last minute. When will I get married? please advise, Thanks! I was born on 6th June, 1979 at 10.32 AM in Bangalore, India.

**Astrologer Ashutosh:** Prashanth! In your horoscope Saturn governs the marriage related developments. But, it is placed with Rahu which causes these delays, confusions, misunderstandings and the last minute failures of marriage talks. Rahu causes delays in marriage and also much marital discord after marriage.

Since November 2009 you are in a favorable sub period of Venus in the Mahadasha of Jupiter. But, a marriage takes place when the Dashas and transits both are in favor of it. Such a condition is forming in June 2011 when there is a strong yoga for your marriage. But, some precautions and remedies must be applied for getting the best benefits from this favorable yoga.

1. Do not keep any high hopes and expectations about your marriage and related issues. Keep a practical approach towards it. Do not extend the talks for long periods.
2. There should not be any major gap of time between your engagement and marriage. You must get married as soon as possible after your marriage is fixed.
3. Money and related issues will be a cause of the confusions and disagreements before and after your marriage. So, your financial condition and assets must be declared honestly as and what they are before the girl's family. They must be assured of your financial stability.
4. Involvement of too many family members in marriage talks can be damaging for the marriage talks. As and when any proposal comes make sure that only the closest members of your family go and see the girl and then finalize the matter there and then only. Do not allow other relatives to keep going and seeing the girl or doing some other cross checks about the girl's family after you have said yes to the proposal.

**Gem therapy:** Wear a cats eye in silver ring on ring finger of left hand on Sunday morning. This gem will help mitigate the effects of Rahu and will clear the obstacles in the path of marriage. Also, to make your marriage related proceedings peaceful and joyful and to lead a happy married life, wear a yellow sapphire in gold ring on index finger of right hand on Thursday at sunrise. This will enhance the benefits of Jupiter in your horoscope.

**Colours:** Wear more of Yellow, White, Red and Brown. Avoid all dark coloured garments, especially Grey, Black and Green.
