

Manjunath Swamy asks: Sir, I am Manjunath Swamy from Bangalore. My business is not going on well. Please suggest some remedy. My DOB is 18/12/1970, TOB is 7.11 pm and POB is Bangalore, India. Thanks & regards, Manjunath Swamy.

Astrologer Ashutosh: Mr Manjunath! You were born under Gemini (Mithun) ascendant and Leo (Simha) moon sign. Since last one and half years you are going through the Mahadasha of Mars which is not conducive for your business and health.

To add to this negative dasha period the transits of planets like Saturn and Rahu have also not been good for you in last two years. But, in 2011 you will be able to recover much of the losses and business will also progress in a better way. This change will start being noticeable from June 2011 onwards.

The next one year will bring some positive changes in your business setup. Income will also increase but the business debts will take some time to be cleared up. But, as soon as the money starts coming in clear any dues which you may be having towards your employees. Pay all unpaid salaries. This must be done to improve the benefit of positive planetary position which will be on in next one year.

But, you still have to perform some remedies to reduce the negativity of this Mars dasha. Some of these remedies are as follows:

- Wear a 5 carat Emerald on the little finger of right hand. It must be mounted on a gold ring.
- Keep fasts on Tuesdays. Have one full meal and take fruits and milk at other mealtimes.
- On Tuesdays, if you can, feed a small piece of Jaggery to any animal.
- Avoid doing a business in partnership. Try to go solo in business as far as possible.

Our experts answer your one free question which can be asked by sending an email with your birth details and one specific question on the email id given below -
