Dale Leigh Asks: I am planning to buy a new house in coming months. I want to sell the house which I am presently living in and then use the money to acquire a better property. Please tell me when I will be able to do that and will my debt burden also increase as a result. Or, is it really advisable for me to buy a new house. Thanks! My DOB is 2nd January 1976, TOB is 14:19 Hrs and POB is Bronx, NY, USA.

Astrologer Ashutosh: Ms Dale! You were born under a Taurus (Vrishabh) ascendant and a Capricorn (Makar) moon sign. You are going through Surya (Sun) Antardasha in Rahu Mahadasha. From 20th October 2011 the Chandra (Moon) Antardasha will begin. That will bring some relief for you in matters of property and your efforts in that direction will start getting timely results.

In November 2011 you can go for the sale of the present house and by mid-December 2011 you will be able to buy a new house. But, your budget may be stretched beyond your initial estimates and the new loan taken for this purchase will increase the debt burden too. For the next two years this burden will be quite heavy but later on it will become much easier and bearable.

A house whose facade faces West will be more beneficial for you than a house facing any other direction. After buying the new house plant some white, blue and violet flower plants in front of your house, or plant them in pots if you do not have enough space in the front area. This will make it very comfortable for you to repay the loan and it will also bring good fortune to you in all ways. Avoid planting any Red, Yellow or Orange flowers.

You can wear the following gemstones as remedial measures:

1. White Sapphire - Wear it in Silver ring or pendant. The ring is worn on the ring finger. Wear it on Friday morning.
2. Emerald - Wear it in a Gold ring or pendant. Its ring is worn on the little finger on Wednesday morning.
