

**Abhijit Roy asks:** Sir, presently I am running through Jupiter Mahadasha and Rahu Antardasha. My Jupiter is in Capricorn (debilitated). Which stones should I wear? I am facing difficulties with my Career? My DOB: 17/12/1985, TOB: 13.05 Hrs and POB: Krishnanagar, West Bengal, India. Please help me. Thank you!

**Astrologer Ashutosh:** Mr Abhijit! Your horoscope shows that you have a keen interest in Astrology and occult sciences. And you have a strong intuition too. A debilitated Jupiter and its running Mahadasha does not allow a proper study of these sciences. But, in your Saturn Mahadasha you will make good progress in this direction.

You were born under Aries (Mesh) ascendant and Aquarius (Kumbh) moon sign. Looking at the placement, combination, strengths and mutual interactions of the planets of your horoscope following gemstones will be suitable for you:

1. Ruby for Surya (Sun): Wear a good quality untreated Ruby on a Sunday between 14th April to 15th May 2012 for best results. These days treated Rubies from Bangkok are flooding the markets. Avoid them and go for only the untreated ones. Wear this gemstone for Surya in copper or gold ring on your ring finger of right hand.

Also, it will be good for you if you wear a men's bangle (Kada) made of copper on your right wrist. This will give you health benefits too besides removing obstacles and confusion in your life. This way you will make good progress in your career too.

2. Sindoori coral for Mars (Mangal): Wear this gemstone in a silver ring on the ring finger of your left hand. Usually for Mesh ascendant people Coral is advised to be worn in a copper or gold ring and mostly they are able to wear Ruby and Coral mounted together on one ring only. But, you should wear coral separately only in a silver ring to allow only the positive energies of coral to reach you.

Wearing coral in copper or gold ring will increase your aggression and anger although it will be give you health and career benefits. Wear this gemstone on any Tuesday morning in next two months.

3. Gemstone for Moon: You can also wear a Pearl or a Moonstone in a silver ring on the little finger of right hand. This can be done on any Monday morning when Moon is in good transit as per your horoscope.

Some other remedies:

- Keep fasts on Thursdays. Eat one full meal and take fruits and milk at other meal times.
- Avoid wearing Yellow, Grey and Black colours in your clothes. Wear more of Red, Pink, White, Orange and brown.
- Donate or gift 21 copies of any religious or spiritual book which you like the most. These should be given to people who will make good use of these books.
