Kate Joanne asks: I was born on 7th March 1975, at 21:46 Hrs in Birmingham, U.K. Since last one year or so I am experiencing a severe cash crunch. My savings are gone and debt is rising. At the same time a few long term friendships have gone sour causing me great distress. I am a divorcee with a kid who is in high school. Can you suggest something for me?

Astrologer Ashutosh: Kate! You were born under Libra ascendant and Sagittarius moon sign. The ascendant lord Venus is placed in its exalted sign but in the 6th house losses and debts. Jupiter too is there in a yuti with Venus. Your cash crunch is not due to a decrease in income but due to your 'out of control' expenses.

Since August 2016, Jupiter's transit in Kanya rashi and Rahu's transit in Simha had a combined effect of increasing your expenses, debts and financial burden to an all time high level. The antardasha period too was of Jupiter in the mahadasha of Jupiter itelf. But, now, as both Rahu and Brihaspati have change signs and are not affected your financial situation through their transits, you can try to bring the situation under control with proper Jyotish Remedies.

Some remedies which will be useful for you -

1. Keep fasts on Thursdays, if your health allows it. There is no need to do any special prayers or worship when fasting. All you have to do on Thursdays is to eat only one vegetarian full meal, lunch or dinner, and take fruits and milk at other mealtimes.

2. Avoid wearing and using Yellow and Gray colours as much as possible. Use more Blue and Green in your belongings.

3. You can donate or gift yellow garments or books of spiritual importance.

4. Avoid drinking alcohol on Saturdays.
