

Cancer - Karka - Moon Sign - 2014 - Jyotish Forecast.□

In 2014, the people born under the Moon Sign Cancer or Karka will experience some great changes in their professional and personal lives. There will be frequent journeys, developments on romantic front and a few unexpected positive changes in profession. Overall, 2014 will be an interesting and challenging year for Karka Rashi people.

HEALTH: Health prospects for 2014 for Cancer or Karka moon sign born people:

Except for those who have existing, heart liver or sugar complications, there will be health gains for Cancer moon sign people in 2014. The second half of this year will bring better health recovery for those who develop health problems in the first half of 2014. Looking at the yuti of Saturn with Rahu till mid-July the health risks for cardiac patients is very high till that time. The months of January, April and November 2014 will demand more health care than the other months of 2014.

JOB: Job prospects for 2014 for Cancer or Karka moon sign born people:

New job or a new work profile will mark the changes in career which are going to happen in 2014. Most of these changes will take place within the first six months. The Cancer rashi people may start work in a totally new area of work. Whatever changes come in job should be accepted with humility as they will be beneficial in long run.

The months of May, June, July and December are favorable for trying for a higher salary and a promotion.

BUSINESS: Business prospects for 2014 for Cancer or Karka moon sign born people:

Those who are in business can expect the beginning of an unexpected but lucrative business venture which will raise their satisfaction levels from work to a new height. 2014 is going to be a milestone in the business for Cancer rashi people.

There will be many long distance business travels, domestic and overseas, in 2014 and most of these journeys will be profitable. But, the new business ideas will require more investments, most of which will be done in the first half of 2014. The second half will see an increase in profits and income.

The months of April, May, July and August are good for making business decisions in 2014.

EDUCATION: Education prospects for 2014 for Cancer or Karka moon sign born people:

Those who are trying to join study courses related to marketing, management, travels and philosophy will find 2014 very favorable for them, especially the first six months. And, owing to the transit of exalted Jupiter in the ascendant from June 2014, there will be great achievements and gains in education in the second half too.

Its also a good year for pursuing long distance education. Many Karka rashi born students will find opportunities to study in foreign universities this year.

WEALTH: Wealth prospects for 2014 for Cancer or Karka moon sign born people:

There will be heightened expenses in the first half of 2014 and the income will not be stable. But, from July onwards the reverse can be expected with reduced expenses and a substantial increase in income.

The months of August, September and October 2014 will bring good returns from past investments. These months are favorable for doing new long term investments too.

REAL ESTATE: Property related prospects for 2014 for Cancer or Karka moon sign born people:

The Rahu-Shani yuti continues in the fourth house till mid July denoting troubles related to real estate. So, any investments in residential real estate should be avoided till that time. Similarly, any ideas of selling a residential real estate should also be delayed till July 2014. Any hasty attempts to sell or buy property before July 2014 can result in blocking of money in bad deals.

But, commercial real estate like office, factory space, shop or a showroom can be acquired without worries anytime in 2014. The best time to do so is in the months of April, May, August and September. Best months for dealing in residential real estate is in August, September and December 2014.

VEHICLE: Prospects related to vehicles for 2014 for Cancer or Karka moon sign born people:

Not a good year to buy a new vehicle. Karka rashi people should try to retain their existing vehicles, if possible, in 2014.

February, March, July and August 2014 can bring about serious road accidents or other

mishaps or damages related to personal vehicle. Drive very carefully in these months.

LOVE: Love and Romance prospects for 2014 for Cancer or Karka moon sign born people:

In 2014, love life will be good and spicy for Karka rashi people. Long distance love will blossom in February and March 2014 and will convert into a close relationship in August and September 2014. The love affair will be pure, honest and full of dedication.

But, in November and December, the feelings of love will fluctuate between extremes of physical passion and platonic love.

Overall, a very favorable and satisfactory year for Karka rashi people in terms of love and romance.

MARRIAGE: Marriage prospects for 2014 for Cancer or Karka moon sign born people:

Again, the Shani-Rahu yuti till mid July is responsible for delays in attempts to get married in 2014. Karka rashi people will be very confused about marriage and will not be able to take a decision on their own till mid July.

But, thereafter, its a very favorable time to get married as the blessing of exalted Jupiter will create favorable situations for tying the knot.

The best months for getting married are August, September and December 2014. But, avoid tying the knot in October and November 2014.

FAMILY: Prospects related to family and relatives for 2014 for Cancer or Karka moon sign born people:

In 2014, health worries about parents will be high and relations with them will not be smooth till the time Rahu stays in transit in Tula Rashi, till mid July. More worries will be about the physical and mental health of the mother than of the father, in 2014.

There will be much improvement in relations with siblings. Family life will be stressful till July but much peaceful after that. Children will do well in their respective studies and work in 2014.

TRAVEL: Travel prospects for 2014 for Cancer or Karka moon sign born people:

There will be frequent domestic and foreign travels in 2014 starting from January 2014 itself. These travels will be less related to work and more related to pleasure. The Karka rashi people can go on religious pilgrimages too in the second half of 2014.

The best months for travelling are January, April, May, August and December 2014. Avoid going on travels in February, March and October 2014.

REMEDIES: Jyotish remedies for 2014 for Cancer or Karka moon sign born people:

Gems: A good quality Yellow Sapphire should be worn on the index finger in gold ring in September or December 2014. Also wear a Pearl or a Moonstone on little finger in a silver ring.

Avoid wearing Black and Grey colours till July 2014. Wear more of White and Yellow in 2014.

Keep fasts on Saturdays till July 2014.
