

Leo - Simha - Moon Sign - 2019 - Jyotish Forecast.

The health of Simha Rashi people will be generally good in 2019. They will earn well from many sources but the hunger for money will increase. Job and business will have desired good progress. 2019 is a good year for getting married. Those who are already married could face increased marital conflicts this year. There will be a lot of fruitful travels. Simha Rashi people will lucrative real estate this year.

HEALTH: Health prospects for 2019 for Leo or Simha moon sign born people:

For most Simha Rashi people the health will generally be good in 2019 except for minor risks related to liver problems, indigestion, high blood sugar and cholesterol. For the Leo Moon Sign females the vulnerability to suffer from ailments related to reproductive organs and hormonal balance is quite high this year. The chances of having injuries on limbs are there in January, May and October 2019.

Those Simha Rashi people who are suffering from cardiac problems or related ailments could experience aggravation of the same this year. January, February, June, July and August 2019 are the months when heart related maladies can trouble Leo Moon Sign people.

JOB: Job prospects for 2019 for Leo or Simha moon sign born people:

2019 is a positive year for Leo Moon Sign employees. Most Simha Rashi employees will get promoted, have salary increments and some of them will switch to better jobs too in 2019. The relations with their colleagues and bosses will be very satisfactory and respectful this year. They will be able to give their best in all tasks they will take up in 2019.

The best chances of getting promoted or changing jobs are in April, May, August and October 2019. This year is more favorable for Leo Moon Sign employees working in the areas of law, education, biotechnology, engineering and construction.

BUSINESS: Business prospects for 2018 for Leo or Simha moon sign born people:

The business collaborations and partnerships of Leo Moon Sign entrepreneurs will have

important developments in 2019. A few business understandings will cease to work and new collaborations with fewer but more efficient partners will be formed. Such changes will give the much desired boost to the business in 2019. This is more likely to happen in February, March, June or August 2019.

The business will grow well in 2019. Simha Rashi businesspersons will start new enterprises this year. They will also make successful attempts to modify their existing enterprises to reduce costs and to increase the profitability. 2019 is also a year when most Leo Moon Sign entrepreneurs will bring in new talent in the workforce in their businesses.

EDUCATION: Education prospects for 2019 for Leo or Simha moon sign born people:

Students of Leo Moon Sign will do their best in their studies and important examinations in 2019. The students of law, education, human resource, biotechnology, zoology, medicine, surgery, architecture and civil engineering will get better results from their academic pursuits this year as compared to last five years. The best months for appearing for important examinations are February, March, April and August 2019.

But, some Simha Rashi students could change their main course of study in 2019 to a totally different kind of subject or course. Some Leo Moon Sign students could decide to quit studies altogether to focus on their professions and money. In both cases, the Simha Rashi students will be very successful.

WEALTH: Wealth prospects for 2019 for Leo or Simha moon sign born people:

In 2019, Leo Moon Sign people will earn well and from many different sources too. But, at the same time, their hunger for money will increase manifolds and this will make them very restless too. In their attempts to earn more money they could lose focus on their main requirements in life. This may disturb their day to day financial dealings to a great extent.

Simha Rashi people will earn, spend and invest a lot of money in 2019. This will put a pressure on them to earn more money. They are advised to invest their money in long term and safe investments. They can safely invest in bullion and stock market in 2019.

REAL ESTATE: Property related prospects for 2019 for Leo or Simha moon sign born people:

2019 is a favorable year for acquiring new real estate. Leo Moon Sign people have good chances of buying both residential and commercial properties in 2019. The most powerful yogas for buying residential property are in March, April and August 2019. For commercial real estate June, August and November 2019 are more suitable months.

But, this year, the Simha Rashi people could be tempted to go for properties which are beyond

their comfortable budgets. This could put a financial pressure on them forcing them to try to sell the properties sooner than planned. It is therefore suggested to them to buy properties which do not put them in any big financial crunch.

2019 is also a favorable year for relocating to new residences. Leo Moon Sign people can shift residences in February, March, or October 2019.

VEHICLE: Prospects related to vehicles for 2019 for Leo or Simha moon sign born people:

January, February, June, July and August 2019 are not favorable months for buying new vehicles, for personal or commercial use. This year, if Leo Moon Sign people want to buy new vehicles they should do so in March, May or October 2019. These are comparatively safer and more auspicious months for deals related to vehicles.

Simha Rashi people should not go for vehicles which are Black, Gray, Red or Green in colour, in 2019. Instead, they should opt for Yellow, Golden, Brown, Orange or Light Blue colours or their various shades. In January, April, July and August Leo Moon Sign people must be more careful when driving their vehicles. In these months there are high chances of vehicular mishaps.

LOVE: Love and Romance prospects for 2019 for Leo or Simha moon sign born people:

In 2019, Leo Moon Sign people will be more inclined to be in platonic or unconventional love relationships. They could be involved in relationships with those who study with them or who are juniors to them in their workplaces. Also, there are high chances of getting romantically involved with people who are either unconventionally much older or younger than them. This means that there could be an unconventional age gap between the Simha Rashi people and their romantic partners in 2019.

As Simha Rashi people will widen the circle of their friends and acquaintances in 2019 their chances of getting into love relationships are quite high this year. But, the same circle of friends could also be a reason for conflicts in their romantic relationships.

MARRIAGE: Marriage prospects for 2019 for Leo or Simha moon sign born people:

For Leo Moon Sign people, 2019 is an auspicious year for getting married. Most Simha Rashi singles who are planning to get married in near future could end up getting married in 2019. Though March, May, June and October 2019 are favorable months for getting married, most Leo Moon Sign people's marriages could be finally delayed till the last two months of 2019. The Simha Rashi people are more likely to have either a very small and considerably low-key ceremony for marriage or a really grand marriage with lots of friends, relatives and acquaintances as invitees.

The Leo Moon Sign people who are facing troubles in their marriages could decide upon ending their marriages this year. This decision could be taken after March 2019, possibly in April, June or September 2019. The conflicts in married life can increase manifolds in April and May this year.

FAMILY: Prospects related to family and relatives for 2019 for Leo or Simha moon sign born people:

2019 is not a good year for the health of the mother. Sudden negative developments can take place in January, February, July and August 2019. Utmost alertness and care about mother's health should be there in 2019. Father will have comparatively better health. The relationships with both parents will be cordial and trustworthy this year.

The younger siblings will be well and they will have good relations with Leo Moon Sign people in 2019. But, the worries about the health, behaviour and financial condition of their older siblings will be quite high. These worries will increase from March 2019. The health and welfare of the children of Simha Rashi people will also give them plenty of anxieties in 2019. There are chances of at least one of the children suffering from an unexpected but acute health issue for a short time in 2019.

TRAVEL: Travel prospects for 2019 for Leo or Simha moon sign born people:

Leo Moon Sign people will go on frequent travels in 2019. Most of their travels will be related to family affairs, work and visits to religious or spiritual places. They are not much likely to go on holidays for pleasure this year. Unlike 2018, Simha Rashi people will plan their travels well in 2019 and most of their journeys will be smooth and comfortable. The only precaution they must take is regarding their budgets and funds. Shortage of funds can spoil the smoothness of their travels.

The best months in 2019 for Leo Moon Sign people for travelling are February, March, August and October. They should avoid long distance and important journeys in January, June, July and September 2019. In January, they should not travel by driving their vehicles themselves.

REMEDIES: Jyotish remedies for 2019 for Leo or Simha moon sign born people:

In 2019, Simha Rashi people should wear good quality Rubies for good health and good luck. They can also wear Sindoori or Red corals in February, March or September 2019. But, they should not wear Yellow Sapphires before November this year.

Leo Moon Sign people should not wear and use Black and Green in 2019. Instead they should use more of Saffron, Orange, Yellow, Red, Pink, Brown and Golden colours in their belongings.

If the health permits, Simha Rashi people should keep fasts on Saturdays in 2019.
