

Libra - Tula - Moon Sign - 2019 - Jyotish Forecast.

The Libra Moon Sign people will finally see good progress in job and business again in 2019. The health problems this year can easily be controlled by taking correct diet. This is not a favorable year for buying residential property or a new personal vehicle. There are very few favorable yogas for marriage this year. Income will rise but not the savings. There will be frequent and enjoyable travels.

HEALTH: Health prospects for 2019 for Libra or Tula moon sign born people:

In 2019, Libra Moon Sign people should be more alert about health issues related to liver, pancreas, gall bladder, eyes, ears, mouth, throat and muscles of the limbs. They are also susceptible to suffer from ailments of urinary system too. These health issues will intensify a bit from mid-March 2019. The difficult months for Tula Rashi people with regards to health are January, February, April, June, July and August 2019.

This year, Libra Moon Sign people must control what they eat and drink. Most of their maladies will be easily curable by simple changes in diet. But, if they are too careless about the diet and binge on unhealthy food products then their ailments are very likely to flare up to the high degrees. In food the main ingredient which they should shun in 2019 is sugar.

JOB: Job prospects for 2019 for Libra or Tula moon sign born people:

The worries and instability regarding job will trouble Libra Moon Sign employees in the first three months of 2019 too. But, from April this year they will be back on solid ground in their professions. Thereafter the progress in job will be fast and good. Many Tula Rashi employees will join better jobs or will be promoted in their existing jobs between April and November 2019,

most likely in August and September.

This year will also be marked by frequent travels for work at company's expenses. Libra Moon Sign employees will get good opportunities to work in multinational companies where they will be paid in foreign currencies. Some Tula Rashi employees could be relocated for work to other nations for short term in 2019.

BUSINESS: Business prospects for 2019 for Libra or Tula moon sign born people:

From March 2019 the business related worries and anxieties of Libra Moon Sign entrepreneurs will start diminishing. Their plans to improve things in business and to generate more revenues will be easily implemented. They will start travelling again to generate more business and to revive the lost business contacts.

This year the Tula Rashi businesspersons who are in businesses related to foreign trade, travel, construction, training, telecommunication and security will have good gains in their businesses.

But, they must stay alert about potential problems related to accounting, taxation, labour unrest and losses through thefts. So, as the business grows these issues will also have to be taken care of diligently.

2019 is a good year for creating new business collaborations and partnerships. The collaborations with business entities in distant cities or other nations will be more fruitful than business understandings with local business houses.

EDUCATION: Education prospects for 2019 for Libra or Tula moon sign born people:

In 2019, the Libra Moon Sign students will progress well in their studies from April onwards. This year is more beneficial for Tula Rashi students of psychology, engineering, biotechnology, architecture, aeronautics and space science. Other Tula Rashi students too will do better than previous two years in 2019. Some Libra Moon Sign students will change their streams or subjects or join totally different courses of study between May and October 2019.

For Libra Moon Sign students May, September and October 2019 are favorable months for appearing for important examinations.

WEALTH: Wealth prospects for 2019 for Libra or Tula moon sign born people:

This year the income of Tula Rashi people will rise again by the end of March. The earnings will be good from both work and past investments. But, the savings and new investments will not be as planned due to some unexpected but big expenses. This year is good for Libra Moon Sign people for investing in stocks and bonds. They should not invest in bullion in 2019.

2019 is also a favorable year for taking loans for business or for purchasing real estate. But, Tula Rashi people should avoid taking loans from informal lenders, friends or relatives. Such loans will create stress and will cause souring of relations with family and friends.

REAL ESTATE: Property related prospects for 2019 for Libra or Tula moon sign born people:

Libra Moon Sign people are advised not to buy residential real estate in 2019. Instead, they should wait for 2020 for buying or investing in residential property. Yes, for buying commercial properties 2019 is a good year for Tula Rashi people. The best time for this purpose is in March, May, September and October 2019.

Most Tula Rashi people will get repairs or renovations done in their residential properties in 2019. This could take more than the planned time disturbing the normal day to day routine in the household. Some such Libra Moon Sign people could relocate to alternate residences for some time in 2019.

VEHICLE: Prospects related to vehicles for 2019 for Libra or Tula moon sign born people:

2019 is not a favorable year for buying new vehicles for personal use. Instead, Libra Moon Sign people should focus on buying used vehicles for short term use. But, Tula Rashi people can buy vehicles for commercial use in 2019 in March and October 2019. This year there can be frequent and unexpected repairs and other expenses on vehicles owned by Libra Moon Sign people.

Tula Rashi people should drive more carefully in January, February, April, May and August 2019. They should avoid driving vehicles which are Red, Yellow and Black in colour, in this year.

LOVE: Love and Romance prospects for 2019 for Libra or Tula moon sign born people:

In 2019, financial reasons and interferences from family will influence love life the most, in case of Tula Rashi people. Any romantic relationship which is not able to pass the tests put up by these two factors will have a short life. This year many Libra Moon Sign people will find love through their travels or through their online connections with likeable people. Long distance and platonic relationships will seem more satisfactory for Tula Rashi people in 2019.

January, April and September are difficult months for love relationships of Tula Rashi people. They will be required to give more time and attention for nurturing the love relationships. Any lack of attention in these months could bring about fast ending of the relationships.

MARRIAGE: Marriage prospects for 2019 for Libra or Tula moon sign born people:

There are no auspicious yogas for Libra Moon Sign people for getting married before November in 2019. It is advisable for them to fix all dates for marriage related ceremonies in November or December 2019. For getting engaged, October 2019 too is a favorable month, besides November and December.

In case of married Tula Rashi people the health and behaviour of the spouse will create stress in 2019. The main reasons for conflicts could be related to expenses, income and wrong behaviour in social circles. January, February, April and October are difficult months for marital relationships of Libra Moon Sign people.

FAMILY: Prospects related to family and relatives for 2019 for Libra or Tula moon sign born people:

Parents' health will be a big concern in 2019. These worries will be more about the health of the mother than of the father. The relations of Tula Rashi people with their siblings will take a bad turn from March 2019. The differences of opinion could be so serious that they could lead to disputes over family assets and wealth.

The children of Libra Moon Sign people with their children will become more defined and meaningful in 2019. But, the health of one of the children can require more attention in March, May and September 2019.

TRAVEL: Travel prospects for 2019 for Libra or Tula moon sign born people:

The worries connected to professional troubles will not allow Libra Moon Sign people to go on long distance and important travels in the first two months of 2019. But, from March 2019 their journeys will take place quite frequently. They will gain both professionally and financially from their travels in 2019.

Most of the journeys of Tula Rashi people in 2019 could be at short notice and unplanned. But, they all will be enjoyable and fruitful. They will travel to places which were not among their choicest destinations. But, even from such places they will get benefits related to business, friendship and income.

The best time for Libra Moon Sign people to go on important travels is in March, April, July, October and December 2019. But, they should avoid all long distance journeys in January, June and September 2019.

REMEDIES: Jyotish remedies for 2019 for Libra or Tula moon sign born people:

Yellow is a harmful colour for Tula Rashi people in 2019. Besides Yellow, they should avoid

Libra - Tula - 2019 Forecast
