

Cancer - Karka - Moon Sign - 2020 - Jyotish Forecast.

The health must be the prime focus in 2020 too. There will be great improvements in personal life, love and marriage. The family affairs will be happy and meaningful. KR people will purchase new houses and vehicles. Income will be good but the expenses will be very high in 2020. High chances of promotion in job. New business collaborations will be formed. The Cancer Moon Sign students will have to be more focused on their studies.

HEALTH: Health prospects for 2020 for Cancer or Karka moon sign born people:

Cancer Moon Sign people should continue to stay highly cautious about their health for one more month, in January, in 2020. As Saturn changes signs and enters its own sign, Capricorn, in the end of January 2020, the health will begin to improve. Still, alertness about health issues related to liver, pancreas, cholesterol and gall bladder should be continued till the end of the year 2020.

Those Karka Rashi people who are already suffering from the one or more of the above mentioned health issues may undergo surgery in February, March or May 2020. Some minor ailments related to genitals, lower back, intestines and digestion are possible in April and May 2020. And, from time to time, short term issues concerning eyes, ears, skin, insomnia and migraine will trouble the Cancer Moon Sign people in 2020. In January, February and May 2020, Karka Rashi people will be highly prone to suffer from injuries.

Cancer Moon Sign people must develop a healthy lifestyle which includes low fat and low carbohydrate food and plenty of exercises. Most of the health issues in 2020 will be easily curable by simple changes in lifestyle.

JOB: Job prospects for 2020 for Cancer or Karka moon sign born people:

The months of January, February and March 2020 can be little difficult for Cancer Moon Sign employees in terms of job stress, office politics and interactions with colleagues and bosses. But, from April 2020 the situation will be more relaxed and positive. The performance of Karka

Rashi employees at work will improve a lot and this will contribute greatly to the overall performance of the employing company. This will bring a lot of respect, recognition and rewards for them from their co-workers and seniors. There are high chances of job promotion and increase in salary between April and September 2020.

In 2020, the Karka Rashi employees working in the industries related to education, training, defense, security, construction, graphics, animation, advertising, banking, accounting, film making and travel will do very well in their jobs. Most Cancer Moon Sign employees will have to travel long distance for work several times in 2020. Some of them may even be posted to other cities or nations for at least two years period, possibly in February, July, August or October 2020.

BUSINESS: Business prospects for 2020 for Cancer or Karka moon sign born people:

The previous year was not favorable for business partnerships, but from February 2020 the Cancer Moon Sign entrepreneurs can work in joint ventures and partnerships. For creating joint ventures or business collaborations February, April, May, August and September 2020 are most favorable months for Karka Rashi businesspersons. The business partnerships formed in 2020 are more likely to work for long term and to be very fruitful for both parties than other such joint ventures created by Cancer Moon Sign businesspersons in last fifteen years.

Karka Rashi entrepreneurs will invest big amounts of money in their businesses in 2020. This will not allow them to generate profits despite a substantial increase in income and sales. But, all the hard work done in 2020 will pave way for years of profitable growth in their businesses. In 2020, there are also high chances of losses in business through mishaps, theft, labour unrest and legal problems. So, Cancer Moon Sign businesspersons should take adequate precautions to safeguard against such losses.

EDUCATION: Education prospects for 2020 for Cancer or Karka moon sign born people:

With the transit of Jupiter in the 6th and 7th houses and of Saturn in the 7th house, in 2020, things will become little tough for the students of Cancer Moon Sign. They should now be more focused on their studies than on other less important activities. In 2020, delays and other problems in the course of studies can happen due to ill health, lack of funds, legal problems and company of not so good people.

But, on the positive side, the Karka Rashi students who are focused on their studies and who keep their other activities in check will be able to score very well in all their important examinations in 2020. Those Cancer Moon Sign students who want to study abroad will get opportunities in 2020, in June, July, October, November and December.

In 2020, the Karka Rashi students of literature, languages, music, fine arts, hospitality, nursing, design, psychology and philosophy, will do much better than the Cancer Moon Sign students of other subjects. The best months for appearing for important examinations for all Karka Rashi

students are January, April, July, August and December 2020. February, March and April are favorable for students of medicine, surgery, law and accounting.

WEALTH: Wealth prospects for 2020 for Cancer or Karka moon sign born people:

2020 will be an year of extremes for Karka Rashi people in terms of income and expenses. Throughout the year the usual expenses will remain high with some unusually high expenses happening from time to time. Cancer Moon Sign people will spend money mainly on travels, health, family functions and in purchase of real estate and vehicles. They will lose some money through bad investments and legal troubles.

The income of Karka Rashi people will be good in 2020 and they will have unexpected gains of money, wealth or assets in the period from April to July 2020. These gains could be from business, sale of a property or in form of gifts from siblings, parents, friends or in-laws.

In January, February, May and October 2020 there are high chances of losing money through purchase of faulty items, bad investments or through burglary or theft. So, Cancer Moon Sign people must check all pros and cons before investing any big amounts of money and also before buying anything expensive in these months. It is advisable to be more alert, safe and secure about cash, card related and online transactions, and about protecting the bank account and credit card details from cyber criminals.

REAL ESTATE: Property related prospects for 2020 for Cancer or Karka moon sign born people:

Cancer Moon Sign people can safely buy both residential and commercial properties in 2020. This year is good for buying real estate and also for shifting in the new properties. The best months for purchase of residential real estate are February, April, May, June, July and December 2020. For commercial properties the best months are April, July, August and December 2020. They can buy properties in partnerships or joint names from February 2020 onwards.

Many Karka Rashi people will get interiors done in their houses or will shift to new houses. April to July 2020 is a good period for that purpose. But, they should keep their expenses on purchase, renovations and decorations of the properties under control because if the expenses go beyond the budget the resultant financial burden will be difficult to handle for next two or three years.

VEHICLE: Prospects related to vehicles for 2020 for Cancer or Karka moon sign born people:

February, April, July and December 2020 are favorable months for Karka Rashi people for buying new vehicles, both personal and commercial vehicles. But, they should avoid buying

new vehicles in January, August and November 2020. As Cancer Moon Sign people will go on frequent long distance drives this year they should focus on buying sturdy and comfortable vehicles which are easy to drive and maintain instead of fancy looking but high-maintenance vehicles.

The suitable colours for Karka Rashi people for vehicles in this year are White, Silver, Brown and Blue. They should avoid buying vehicles with Yellow, Gray, Golden and Green colours. March, May and June 2020 are not good months for going on long drives. In these three months Cancer Moon Sign people must drive very carefully as the chances of mishaps are higher than usual in these months.

LOVE: Love and Romance prospects for 2020 for Cancer or Karka moon sign born people:

From January 2020 onwards Cancer Moon Sign people will start getting lucky in matters of love. Their confidence and ability to communicate will get better gradually and this will help them attract people in a better way. At the same time, they will be quite ready to take risks too in matters of love. The love relationships of Karka Rashi people in this year 2020 will be highly satisfying, intimate and will be formed across the boundaries of age, society and wealth.

The high degrees of confusion, doubts and hesitations which were stopping Cancer Moon Sign people from going full speed ahead in love will be gone by February 2020. They will get plenty of opportunities to meet interesting and beautiful people in April, May, June and July 2020. But, Karka Rashi people are advised not to be too fussy about their choices in love. They should welcome love with an open heart and an open mind. Also, they must stay devoted in the love relationship once it is formed. Overconfidence can motivate them to stray and that will instantly kill their love relationships without warning.

MARRIAGE: Marriage prospects for 2020 for Cancer or Karka moon sign born people:

In 2020, there are several auspicious and potent yogas for marriage for Cancer Moon Sign singles. The transits of Jupiter in Sagittarius and Capricorn and of Saturn in its sign, Capricorn, are forming these powerful yogas after a period of three years. Most Karka Rashi singles who are planning to get married in next few years and those who have been trying to get married since last three years, but have somehow failed to do so, will get married in 2020.

The best months when Karka Rashi people can get married in 2020 are February, April, May, June and December. Any marriage ceremony or related function organized in these five months will be very pleasant, enjoyable and without any hitches.

For the Karka Rashi people who have seen deterioration of relations with spouse in the last two years will get good opportunities to bring back the love and trust in their relationships from February 2020 onwards. Things will improve a lot and the relationships will become more meaningful and predictable. Still, some patience and understanding will be required in April,

May and November 2020.

FAMILY: Prospects related to family and relatives for 2020 for Cancer or Karka moon sign born people:

The family affairs of Cancer Moon Sign people will be more or less peaceful in 2020 too. The relations with parents, siblings, children, other relatives and members of extended family, will be good and satisfactory. But, the icing on the cake will be the improvement in relations with the in-laws. Karka Rashi people will get unexpected gifts and other benefits from their in-laws, either monetarily or in terms of inherited assets, in 2020. This is very much possible in April, May, June or July 2020.

In February, March and May 2020, Cancer Moon Sign people should pay more attention to their parents' health. These months are also important from the point of view of their children's and other dependents' health and welfare too.

TRAVEL: Travel prospects for 2020 for Cancer or Karka moon sign born people:

Most Cancer Moon Sign people will go on expensive holidays in 2020 driven mainly by desires to show off status and wealth. It is very likely that they will spend more money than planned on their travels and holidays in 2020. Interestingly, during most of their travels and holidays in 2020, Cancer Moon Sign people will end up visiting a few places of religious and spiritual importance too, thus balancing their material drives with spiritual activities.

Karka Rashi people should be more careful about their money, valuables, hotel bookings and travel insurance when travelling. There are high chances in 2020 of getting into financial, health or legal problems during their travels. Health issues will be mainly related to wrong kind of food and drinks. So, they must experiment with new kinds of exotic food and drinks and must stick to the kind of food they are comfortable with.

The best months for travelling for Karka Rashi people in 2020 are February, April, June, July and December. They should avoid going on long distance travels and holidays in January, August and November 2020.

REMEDIES: Jyotish remedies for 2020 for Cancer or Karka moon sign born people:

2020 is not a year when Cancer Moon Sign people should wear new Yellow Sapphires. But, they can re-purify and wear their existing Yellow Sapphire rings or lockets in February, July or August 2020. This year they can wear Sindoori or Red corals for Mars. The best months for wearing gemstones for Mars are January, April, August and September 2020. Those Karka Rashi people who have both Mars and Saturn in powerful placements in their horoscopes can wear Purple sapphires or Khooni Neelam in April 2020.
