

Capricorn - Makar - Moon Sign - 2010 - Forecast.□

This is a year which is like a spicy sour-sweet dish for Capricorn (Makar) Moon Sign born people. The year begins with great financial and legal problems but the year ends on a positive and relaxed note.

The fast car which had raced past all obstacles in last three years has now slowed down considerably. Time to rethink the work strategies and to make amends of past mistakes.

Health: Recurring and short term health problems for Capricorn Moon Sign born people this year. Although health improves in 2010 but intermittent bouts of sicknesses like cold, cough, fever, urinary problems, insomnia and skin ailments will force them to take rest every few weeks.

Health disorders related to digestive system, urinary tract and reproductive organs may bother much in first half of 2010. The Capricorn Rashi born people who have had diabetes liver disorders will need to be more careful in first four months of 2010. January and March 2010 are the most crucial months for health.

In the later eight months of the year health will recover and in the last four months Capricorn or Makar Rashi people can and will party to their heart's content.

Be careful what you eat in 2010. Sleep well and do not work late at nights.

Job: In job areas the Capricorn (Makar) Moon sign born people have to be very careful when dealing with their superiors and bosses. The months of January, February, March and April 2010 are quite difficult.

Even though you will perform well and work hard your job rewards will be delayed due to the mistakes and negligence of work by your immediate superior. This can cause your frustration to increase and it create angry scenes at workplace.

But, the second half of 2010 brings good and speedy growth at work for Makar Rashi people. Promotions, incentives and bonuses will come your way in September and November 2010. Performance will get better and your creativity at work will be appreciated.

Travels related to work will take place in August, September and December 2010. Those who are looking for jobs in foreign lands have a very high chance of succeeding in the last six months of 2010.

Business: Capricorn or Makar Rashi born people are good businessmen and they love to earn money just for the sake of earning money. But, in last three years they had made some wrong decisions regarding business which have increased the expenses and have lowered the earnings considerably.

2010 begins with the business worries at their peak but ends with miraculous solutions to your business problems. Some efforts to lower costs by selling out the business assets and by retrenching unproductive employees will begin in February 2010. These efforts will start showing good results from July 2010 onwards.

From September 2010 to the end of December 2010 some good business deals and collaborations will take your enterprises to great heights. Your plans for new ventures which were not possible to implement till now will surprisingly be implemented based on support from some good business partners and timely availability of finances.

Some past litigation and other legal problems which had come up in last two years but were lying low will raise their heads once again. The months of March, April and May 2010 are important in this regard.

Business partners will resort to unethical and malicious activities in first half of 2010. Keep an

alert eye on them and check all accounts and transactions from time to time.

Wealth: The maximum monetary gains will come from October 2010 to the end of 2010. The first four months of 2010 will bring some expenses on legal matters, loan repayments and health issues.

The income increases from July onwards and in the last five months of 2010 monetary gains will be quite good. Sources of income will increase and more financial security will be felt.

Bank deposits will increase and some long term overseas investments will be done in 2010. Past investments in stocks and in fixed assets will give good returns in October and November 2010.

Education: Capricorn Rashi born people are advised to appear for important exams and to apply for educational courses after May 2010.

Things will be difficult before May 2010. Keep your focus on studies and avoid the company of friends who have irresponsible behaviour.

Real Estate: Some lucrative real estate investments done in past five years will give good profits by their sale in October and November 2010.

Further investments in both residential and commercial property will be done in December 2010. Focus more on the commercially useful real estate than on the residential ones.

Vehicle: Time to buy a luxury vehicle in November 2010. The Makar Rashi born people should sell off any old vehicles which they have in 2010 before buying any new ones.

In the month of June and July 2010 take extra safety measures while driving. There are chances of getting injured and sustaining damages to the vehicle due to reckless driving.

Love: Since last one and half years Capricorn Rashi born were almost emotionally cut off from their family, friends and their romantic partners. Things were more of a formality with passion and affection lacking in the relationship. Now, as Rahu and Ketu have shifted from the Capricorn-Cancer axis 2010 the Capricorn moon sign born people will find new energy and passion coming in their love affairs.

2010 brings love into your love through the work and the workplace. Cupid strikes in office areas and more than one co-workers will get interested romantically. It will be a task to balance work and love at the same time. This will happen in last four months of 2010.

In the first half of this year, the ongoing romantic affair may go wrong. Feelings of mistrust, doubts and lack of devotion may arise and even the smallest of temptations to stray out of the relationship will prove irresistible. Be careful or the consequences can be quite heart breaking.

Marriage: 2010 is a highly favorable year for getting married for Makar Rashi people. The months of May, June and November 2010 are very auspicious for formalizing the life long relationship.

Those who are facing discord in their married life can get a divorce in March-April 2010.

Family: Health of the parents will require extra attention in first four months of 2010. Your mother may suffer from cardiac problems. For father too, disorders of health pertaining to neurological functions of the body may occur. Period from 15th March to 15th April is very crucial in this regard.

The relations with your spouse and your parents can take a steep dive in February 2010. Be careful and do not take any sides. Better to stay on neutral ground and this malady will heal itself.

Siblings will be more helpful and supportive in 2010. The spouses of your siblings may seek your help in July and August 2010, a help which you will be quite ready to provide.

The second half of the year is very good for all in the family. The health and relationships of all family members will improve. The year will end with a very happy and family oriented feeling in the hearts of the Makar Rashi born people.

Travels: Capricorn Moon Sign people will be becoming champion travelers in 2010. Their bags will be kept packed throughout the year.

Even those who have gone far away from their homes will find themselves exploring new lands and cultures. Those Makar Rashi people who have been attempting to move to other nations will be able to do so in the second half of 2010.

Remedies: Donate Yellow, Red and Orange colored garments and other things of daily use to the needy in 2010. Such donations if done on Tuesdays and Thursday will give more benefits.

Keep fasts on Tuesdays in 2010. Eat one full meal and take fruits or milk at other meal times. Avoid salt intake when fasting.

Avoid wearing red and orange coloured clothes in 2010. Wear more of Blue and Green.

Wear a Blue Sapphire in silver ring on the middle finger and a White Sapphire in silver ring on the ring finger.
