

Virgo - Kanya - Moon Sign - 2012 - Jyotish Forecast.

For the people born under the Moon Sign Virgo or Kanya this year 2012 will have great extremes of joys, sorrows, difficulties, luck, trials, rewards and punishments. Kanya Rashi people are advised not to be headstrong and to keep themselves and their attitudes flexible and pragmatic in 2012.

HEALTH: Health prospects for 2012 for Virgo or Kanya moon sign born people:

Heart troubles, liver ailments, neurological problems, hypertension and high blood sugar are the possible maladies which can ail Kanya rashi people in first half of 2012. Interestingly, most of these troubles will either go away or their intensity will be lowered in the second half of this year. Only the neurological problems could persist and if left untreated it can bother quite frequently in coming three years.

The health emergencies in 2012 will catch Kanya rashi people unawares. They will come and go quite unexpectedly. So, be prepared for them under all circumstances.

JOB: Job prospects for 2012 for Virgo or Kanya moon sign born people:

There can be a change in job in first two months of 2012. There will not be any substantial increase in salary through this job change. It is better to avoid this change in job as nothing fruitful will come out of it.

The relations with superiors at workplace will not be good in 2012. Avoid any confrontations and ego-tussles at workplace with seniors and colleagues. February and March are going to be a little difficult.

BUSINESS: Business prospects for 2012 for Virgo or Kanya moon sign born people:

Labour problems, increased costs and low profits will make this year a difficult year for Kanya rashi businessmen. Legal issues will increase the costs of operations in first half of 2012. Financial discrepancies and taxation issues of past years will trouble again in 2012.

Risky investments must be avoided this year. Kanya rashi businessmen may take decisions more out of bravado than through wise business sense in 2012.

Postpone all major business decisions and investments to July 2012. The second half of 2012 is much safer and better than the first half for taking business decisions and for expanding existing ventures.

Avoid getting into business collaborations before June 2012. Foreign partners and collaborations will be more beneficial than the domestic business partners.

EDUCATION: Education prospects for 2012 for Virgo or Kanya moon sign born people:

2012 brings good opportunities for success in examinations and for admissions to reputed institutions for higher studies. The time is good for Kanya rashi students from June 2012 onwards. It will be a highly favourable year for students of accounting, banking, cuisine and hospitality.

WEALTH: Wealth prospects for 2012 for Virgo or Kanya moon sign born people:

Expenses will be unusually high in first half of 2012. Unexpected and unavoidable situations will cause the wastage of money. These situations can be medical, legal or related to family affairs.

But, the second half, especially the months of July, August, November and December will be financially better with a great reduction in expenses and reasonably good savings happening at the same time.

Kanya rashi people are advised to strictly keep away from all kinds of risky financial activities including stock trading and gambling.

REAL ESTATE: Property related prospects for 2012 for Virgo or Kanya moon sign born people:

The first four months will require a lot of patience as a few real estate deals will still be stuck. It is only in June that the ball will start rolling again. To buy a new house June and July are favourable months. Do not invest in real estate in first four months of 2012.

There are high chances of suffering losses through theft, burglary, fire or other calamities in February and March 2012. Stay alert and increase security in and around your residences.

VEHICLE: Prospects related to vehicles for 2012 for Virgo or Kanya moon sign born people:

High vulnerability to vehicular mishaps will exist through first six months of this year. Drive carefully and do not drive when intoxicated. Otherwise, severe damages to both vehicle and yourself can happen.

To buy a new vehicle July and December are best months this year. Avoid Red colour in your personal vehicles. Best colour this year is a light shade of Blue.

Avoid buying a vehicle in October and November 2012. These are not good months for buying even a used vehicle.

LOVE: Love and Romance prospects for 2012 for Virgo or Kanya moon sign born people:

Secret affairs and extra marital affairs may happen in March and April 2012. But, they may not remain secret by the time August sets in which can cause great stress and loss of reputation too. So, behave wisely when being tantalised by such possibilities of short term secret flings.

Those who are seeking true love will see cupid firing his arrows at their hearts in June and July 2012. The affairs may not seem serious at first but frequent meetings will bring the hearts closer and a true and deep emotional dependency will be formed. Love will be found far away from home this year.

MARRIAGE: Marriage prospects for 2012 for Virgo or Kanya moon sign born people:

The best time to get married is in June, November and December 2012. Many Kanya rashi people may travel to other cities or other nations to get married in 2012.

It is better not to keep any big gap between engagement and marriage in 2012.

2012 can be a very bad year for those who are facing marital discord. While the first half of 2012 can bring an escalation in the severity of the arguments and conflicts, the second half can cause the actual separation or even divorce.

FAMILY: Prospects related to family and relatives for 2012 for Virgo or Kanya moon sign born people:

It will not be a peaceful year regarding family affairs for Kanya rashi people. Serious disputes related to property and money will create big rifts between the family members.

Mother's health will remain a high concern in 2012. Father will be healthier and stronger. But, relations with both of them will not be satisfactory this year.

Siblings are already on a war path since July 2011 and they will not be much supportive in 2012 too.

Children will do well this year. The second half of 2012 is favourable for birth of a child in the family.

Marital happiness could remain reduced due to ill health of spouse or serious marital conflicts.

TRAVEL: Travel prospects for 2012 for Virgo or Kanya moon sign born people:

Long term international travels are possible this year. Avoid travelling in first four months as they can be highly uncomfortable too. The best months to travel are June and July 2012.

The last four months of 2012 are good for going on religious journeys, pilgrimages or for attending spiritual camps.

REMEDIES: Jyotish remedies for 2012 for Virgo or Kanya moon sign born people:

Strictly avoid Red colour in garments and other things of daily use in 2012. Wear more of light blue this year. Black and Grey are also beneficial in 2012.

Keep fasts on Tuesdays in first six months of 2012, if possible.

Wear a good quality White Sapphire in April or July 2012. Also, wear an Emerald in June or September 2012.
