

Sagittarius - Dhanu - Moon Sign - 2015 - Jyotish Forecast.□

For Dhanu rashi people 2015 will be a very stressful year. They will have a lot of troubles related to family matters, real estate, work and health. The Sagittarius moon sign people are advised to stay very patient and to avoid taking decisions in a hurry in 2015. They will have better chances at improving their love lives and getting married too.

HEALTH: Health prospects for 2015 for Sagittarius or Dhanu moon sign born people

The Dhanu rashi people may have drastic ups and downs of health in the first seven months of 2015. But, from August onwards the health will improve a lot with an increase in vitality and body weight too.

The health problems which can trouble Sagittarius moon sign people in 2015 are ailments related to heart, liver, pancreas, gall bladder, nervous system, eyes, ears and joints. Out of these ailments heart, liver and pancreas related disorders will have higher intensity this year.

JOB: Job prospects for 2015 for Sagittarius or Dhanu moon sign born people:

Sagittarius moon sign employees will face more than usual job related problems in 2015. The job scenario will become a lot stressful with increased office politics, reduced work satisfaction, high burden of work and almost no rewards and recognitions for the hard work done.

The attempts to change job will fail thus increasing the frustration and stress to a higher degree. Its better for Dhanu rashi employees to stay put in their existing jobs in 2015 as the new job, if they are able to get one, will have similar problems as the existing one. They should try for a change only in 2016.

2015 is a year when Sagittarius moon sign employees will try to start a side business or to undertake extra work projects, formally or informally, in another company or industry.

BUSINESS: Business prospects for 2015 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi businessmen will try their best to expand business and will invest more time and energy in their enterprises in 2015. This expansion will be in the existing industry or in one or more new areas of business. This diversification will reduce attention on the existing business which will harm its growth and productivity.

The problems experienced by Sagittarius moon sign entrepreneurs this year will be delay in projects, too hasty diversification, reduced interest in existing projects, legal hassles and troubles with business partners.

The Dhanu rashi businessmen should stay alert for instant opportunities in 2015. They should not make any long term plans and should concentrate on achieving the short term goals. It is better to take small steps than taking huge leaps in business in 2015. The costs of business should be kept under control. Dhanu rashi entrepreneurs should also desist from hiring too many employees this year.

EDUCATION: Education prospects for 2015 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi students will suffer from lack of focus on their studies. There will be too many distractions in from January to July 2015. The Sagittarius moon sign students are more likely to waste time in useless activities, enjoyment and extravagance than on their studies in these seven months.

But, from August 2015 onwards the Sagittarius moon sign students will start paying attention to their studies once again and they will make good progress too in their education. The performance of Dhanu rashi students will be much better in the last five months of 2015 than in the first seven months.

The students of law, philosophy and education will perform well in 2015. Some Sagittarius moon sign students may also travel abroad to join highly desired education courses in foreign universities or to do research work after July 2015. The best time in 2015 for studies and for appearing for important examinations, for Dhanu rashi students, is in August, September and October.

WEALTH: Wealth prospects for 2015 for Sagittarius or Dhanu moon sign born people:

In 2015, savings will reduce and expenses will be high in the first half of this year. The most

amount of money will be spent on requirements which will come up unexpectedly. Dhanu rashi people are more likely to waste money on parties and attempts to raise social status in these six months.

But, from July onwards, more sanity in terms of monetary expenses will be there and Sagittarius moon sign people will cut back on their spending. This year the Dhanu rashi people are advised to avoid investing big amounts of money in a hurry. They should study the available investment option properly and then only invest in it. They should also not invest in bullion till September 2015.

REAL ESTATE: Property related prospects for 2015 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi people should strictly not buy or sell real estate till August 2015. There will be disputes related to property and legal problems too till July this year. The difficulties related to real estate which arose in 2014 will continue till July 2015 too.

A change in residence is possible in October 2015 for Dhanu rashi people. It is advisable for Sagittarius moon sign people that if they really have to buy a real estate they should buy only residential property in 2015. The best time to do so is in October and December 2015. The Dhanu rashi people should not invest in commercial real estate in 2015.

VEHICLE: Prospects related to vehicles for 2015 for Sagittarius or Dhanu moon sign born people:

This year will bring some strange hassles related to personal and commercial vehicles. Dhanu rashi people should be very careful about their vehicles in 2015. Theft, accident or other incidents causing harm or damage to the vehicle are possible in January, March, May, July and November. The Sagittarius moon sign people should drive more carefully than usual in these months.

Dhanu rashi people should not buy used vehicles in 2015. They should focus on buying only those vehicles which are within their comfortable buying capacity. The good time to buy a vehicle is in April, June and December.

LOVE: Love and Romance prospects for 2015 for Sagittarius or Dhanu moon sign born people:

The love life for Dhanu rashi people will be volatile in 2015 as the desire to be too secretive will lower mutual trust between the lovers. The Sagittarius moon sign people will be very tempted to have secret romantic flings on the side too which will not remain secret for long.

New love in life for Dhanu rashi singles will arrive in March and April 2015. In October they may

meet romantically likeable people while travelling. The Sagittarius moon sign people are advised to stay more devoted to their love partners in 2015 to get full satisfaction from the love life.

MARRIAGE: Marriage prospects for 2015 for Sagittarius or Dhanu moon sign born people:

Marriage proposals will start coming for Dhanu rashi singles from the first month of 2015 onwards. But, the best time to get married is in February, May, October and December 2015 and many Dhanu rashi singles will get married in these months. Even those who do not get married in 2015 will get engaged or will announce their commitment to convert existing love relationships into marriages.

Much peace will prevail in married lives of the Dhanu rashi married people in 2015. They are very likely to indulge in secret extra marital affairs in February, March and July, balancing the marriage and love life beautifully.

But, for the Sagittarius moon sign married people who are facing conflicts in their marriages the relations with their spouses will worsen in April, May and July 2015.

FAMILY: Prospects related to family and relatives for 2015 for Sagittarius or Dhanu moon sign born people:

This year Dhanu rashi people will have more worries about their parents' health and the relations with their parents will be very unsatisfying at the same time. Family troubles will crop up frequently this year in one form or other.

The older siblings will be good with Sagittarius moon sign people this year but the younger siblings will pose more troubles from time to time. The children of Dhanu rashi people will have some health and behaviour related issues from May to August 2015 but they will be back to normal from September 2015 onwards.

TRAVEL: Travel prospects for 2015 for Sagittarius or Dhanu moon sign born people:

There will be a few unplanned and useless journeys for Dhanu rashi people in the first six months of 2015. But, the travels will be more fruitful and well planned in the second half of this year.

There will be several long distance journeys and pilgrimages too in 2015. Sagittarius moon sign people should avoid journeying in May and July 2015. The best months for travelling are February, March, October and December.

REMEDIES: Jyotish remedies for 2015 for Sagittarius or Dhanu moon sign born people:

Dhanu rashi people should wear a Yellow Sapphire in gold ring or locket in September or October 2015. They should also wear a Ruby in first two weeks of September 2015.

Sagittarius moon sign people should avoid using colours like Black, Grey and White in their garments and other belongings this year. They should use more of Yellow, Golden and Orange in 2015.
