

Cancer - Karka - Moon Sign - 2018 - Jyotish Forecast.

2018 is a good year for Cancer Moon Sign people regarding professional growth, wealth accumulation, foreign travels and relations with parents and other relatives. But, this year demands caution on several fronts such as health, love life and marriage. It will be a high energy year for Karka Rashi people. They will earn well and spend well in 2018. It is a highly fruitful year for educational pursuits too.

HEALTH: Health prospects for 2018 for Cancer or Karka moon sign born people:

In 2018 too, health precautions must be kept high by Cancer Moon Sign people just like it was in 2017. The transits of Rahu in the 1st house and Saturn in the 6th house of ailments combine to make this year 2018 a high risk year for the health of Karka Rashi people. The main areas of health problems will be kidneys, Genitals, urinary system, lower intestines, skin, hair and brain. Disorders related to blood sugar and liver function could also trouble some Cancer Moon Sign people in 2018.

Fluctuations of energy levels, both physical and mental, will be common for Karka Rashi people this year. They must eat healthy and must have proper sleep to keep the energy levels balanced. Their worries about health will increase and they could turn into an obsession in 2018.

From May to August, they are very likely to suffer from inflammations of intestines or some health issues related to genitals. There may be a small surgical procedure performed in these body parts during this period.

JOB: Job prospects for 2018 for Cancer or Karka moon sign born people:

2018 is a challenging but progressive year for Karka Rashi employees. They will be promoted to better and more responsible positions. The new responsibilities will initially seem too heavy and difficult but they will become easier to manage much sooner than expected. In 2018, Cancer

Moon Sign employees will become more stable and powerful in their jobs.

Some Karka Rashi people will change jobs or will change their area of work too. Some will begin their own enterprises, mostly in partnerships, and will perform well in them too. In almost all cases the opportunities and offers for change of job and of promotions too will come in surprising ways at unexpected times.

BUSINESS: Business prospects for 2018 for Cancer or Karka moon sign born people:

2018 will be a booming time for the enterprises of Karka Rashi entrepreneurs. They will go full speed ahead with implementations of their business plans. They will get timely financial and moral support too from trustworthy people and institutions. They will form new collaborations this year with powerful business entities, possibly in totally new areas of business.

But, when forming the business alliances Cancer Moon Sign businesspersons must remember that their partnerships will be on unstable ground financially till January 2020. So, they should not have too high expectations from such collaborations and must not try to invest personal money or take big amount of money as loans to put in these businesses in partnerships.

January and February 2018 will give a good start to their businesses. Then, from May to October, the Karka Rashi entrepreneurs will have another energetic run to make their businesses highly profitable. The costs of running the businesses will be surprisingly low in 2018 as compared to the costs in past five years.

Cancer Moon Sign businesspersons working in industries related to Medicine, engineering, consulting, event management, hospitality and travels will find 2018 an unusually profitable year.

EDUCATION: Education prospects for 2018 for Cancer or Karka moon sign born people:

Some years are exceptionally good for going all out to fulfill that elusive academic qualification, when everything starts going positive and the academic achievements in such years are really memorable. 2018 is such a year for Cancer Moon Sign students. They must aim high and try their best in their academic pursuits this year.

The first nine months are really favorable for trying for admissions in foreign universities. Many Karka Rashi students will move away from their homes for better education. Many will move to other cities and some will move to other nations. February, March, May, June and September 2018 are highly favorable months for Cancer Moon Sign students.

WEALTH: Wealth prospects for 2018 for Cancer or Karka moon sign born people:

Cancer Moon Sign people will earn well and spend well in 2018. They will earn through their

regular work and from side businesses too. They will gain good returns from their investments done in the past and they will be able to invest wisely this year in stocks, bonds and real estate. They can safely invest in bullion too. 2018 will be financially rewarding year for Karka Rashi people.

The major expenses for Cancer Moon Sign people in 2018 will be on travels, renovations of their properties, and medical treatments. Still, if they are eager to get married in 2018 only then they should plan the marriage ceremonies in May, June, September or December. But, they must be very cautious in 2018 as financial issues and schemes of their rivals will be major problems for them.

For the married Karka Rashi people too 2018 demands utmost caution, patience and a lot of understanding. The health and behaviour of the spouse can give them stress this year. The most difficult time will be in March and April 2018. From May to October, work related responsibilities and stress can become a major reason of conflicts in their marriages. Some Cancer Moon Sign people could even undergo a separation or a divorce in 2018.

FAMILY: Prospects related to family and relatives for 2018 for Cancer or Karka moon sign born people:

For the Cancer Moon Sign people, the bonhomie with their family members will increase in 2018. The health of the parents and the relations with them will be good this year. Siblings will be unusually supportive and understanding. With other relatives too the relations will be very cordial in 2018.

There may be worries about the health and welfare of the children. Their behaviour may also cause stress to Karka Rashi people in 2018. February, March, April, November and December are the months when the problems related to children and other dependents are more likely to come up.

TRAVEL: Travel prospects for 2018 for Cancer or Karka moon sign born people:

2018 is a suitable year for those Cancer Moon Sign people who want to go abroad to study or work or to settle there permanently. Work in this direction should be started as early as possible in 2018. March, April, June, September and October are suitable months for attempting to

relocate to another nation.

For other Karka Rashi people too, there will be many and frequent travels in 2018. Most of these journeys will be fruitful and enjoyable. Between May and November 2018 they will have more work related travels than the travels for pleasure and holidaying. For travels for pleasure and sightseeing the best months are March, April, May and the last four months of 2018.

REMEDIES: Jyotish remedies for 2018 for Cancer or Karka moon sign born people:

Karka Rashi people should avoid wearing Gray and Black colours in 2018 too. They should wear more of Yellow, White, Red, Pink, Brown and Light Blue.

Fasting on Saturdays is recommended for them for 2018 too. They should donate Gray blankets and footwear to the needy on Saturdays.

Yellow Sapphire, Moonstone and Sindoori coral are recommended for Cancer Moon Sign people for gem therapy this year. This will give them benefits related to career, finances, foreign travels and health. They should also wear cats-eye gemstones as early as possible in 2018 to counter the ill effects of Rahu on health.
