

Capricorn - Makar - Moon Sign - 2018 - Jyotish Forecast.

Capricorn Moon Sign people will have mixed results in 2018. Both income and expenses will be high. Their health will demand more attention this year. Love life and marriage will go through really tough times in 2018. Business will progress well. There will be unwanted problems in job. Frequent but useless travels will be there. There will be good progress in education.

HEALTH: Health prospects for 2018 for Capricorn or Makar moon sign born people:

The alertness about health which was advised to Makar Rashi people is applicable for 2018 too. This is the second year of the three year period which is not good for the health of Capricorn Moon Sign people. Problems related to fluctuating energy levels, kidneys, headaches, sexual problems and depression will bother Makar Rashi people in 2018.

In this year, the months which can be unusually difficult for health are January, February, April, November and December. From May to October, the physical and mental energy levels will dip and rise in quite mysterious ways. These fluctuations will be unusually high. There are also high chances of a surgery during this period. The risk of having bleeding injuries is quite high from March to October this year.

Capricorn Moon Sign people should eat and sleep well in 2018. They must avoid unnecessary stress, both physical and mental.

JOB: Job prospects for 2018 for Capricorn or Makar moon sign born people:

There can be both positive and negative developments in the jobs of Capricorn Moon Sign employees in 2018. It will be positive in terms of change of job to a higher profile, promotion and overseas work. It can be negative in form of legal hassles related to work; disagreements with the seniors or bosses; sudden blemish on erstwhile clean image at work; and controversies.

The intensity of both positive and negative developments will be high in 2018.

The unfavorable months for the job progress of Makar Rashi employees are January, March, April and May 2018. The favorable and positive months are June, September, October and November 2018. The new jobs and job profiles will be more stable and comfortable than the previous ones.

BUSINESS: Business prospects for 2018 for Capricorn or Makar moon sign born people:

Capricorn Moon Sign entrepreneurs will get plenty of good opportunities in 2018 to expand their business and to increase the turnover. The most favorable period for increasing turnover substantially is from May to November 2018. But, the profits may not be high this year as some unreasonable and unexpected expenses will keep on occurring from time to time. Most of such expenses may be related to frequent travels, legal problems, compensations for mishaps and taxation issues.

If the Makar Rashi businesspersons are able to control their expenses then they will experience great progress in their enterprises in 2018. Those entrepreneurs who are in industries related to real estate, accounting, education and law will experience more than usual growth in their business this year. The last four months of 2018 are highly favorable for setting up new businesses and for making creative and positive changes in the existing businesses.

There will be several offers for business partnerships and collaborations in 2018 but the Capricorn Moon Sign businesspersons must not get into any new collaboration this year. Their existing business understandings may also be in trouble due to seemingly small but important issues. It will be very difficult for Makar Rashi people to manage their partnerships well this year.

EDUCATION: Education prospects for 2018 for Capricorn or Makar moon sign born people:

The Capricorn Moon Sign students will perform well in their academic pursuits in 2018. This is a very favorable year for appearing for important examinations, for pursuing higher education and even for getting admissions in coveted foreign universities. 2018 is especially favorable for Makar Rashi students of law, medicine, surgery, engineering, aeronautics and computer sciences.

Capricorn Moon Sign students must be careful about two areas of life this year to have smooth progress in the studies. The first one is their own health, which can have some serious issues this year. The second is their relationships, mainly the intimate relationships, which may not be satisfactory in 2018 and this may create serious emotional ups and downs. This can interfere with their studies.

February, March, April, September, November and December are highly favorable months in

2018 for Makar Rashi students for appearing for important examinations.

WEALTH: Wealth prospects for 2018 for Capricorn or Makar moon sign born people:

This year 2018 will have a balance of high income and high expenses for Makar Rashi people. There will be time to time huge gains of money, a few times in rather unexpected ways. Such unexpected sudden gains of money will happen more between May and October 2018. In January and February too, Capricorn Moon Sign people can expect some reasonably good monetary gains. In March and April 2018 there can be some huge losses of money.

But, despite the good income in 2018, Makar Rashi people will not be able to save much. The expenses will remain high and all attempts to lower them will fail. So, Makar Rashi people should try to turn these expenses into long term investments by putting in the money into business or property. But, such investments must be done after doing proper homework. The highest expenses in 2018 may be on health, travels and simply unplanned and bad investments.

REAL ESTATE: Property related prospects for 2018 for Capricorn or Makar moon sign born people:

Makar Rashi people can buy real estate, both residential and commercial, in 2018. But, they should avoid investing in real estate in March and April 2018. The best time to invest in property in 2018 is in January, February, May, September and October 2018.

There are high chances of relocating to another home, most likely in another city or nation, in March and April 2018.

VEHICLE: Prospects related to vehicles for 2018 for Capricorn or Makar moon sign born people:

Capricorn Moon Sign people should buy commercial vehicles in February, March, May, September and December 2018. For personal vehicles February, May, June, October and November are more favorable this year. They should not buy any used vehicles in 2018. Also, they should not buy or sell vehicles in January, April and August 2018.

In March and April 2018 they must be very careful while driving their vehicles. The chances of vehicular mishaps are very high in these two months.

LOVE: Love and Romance prospects for 2018 for Capricorn or Makar moon sign born people:

The love lives of Makar Rashi people in 2018 will be characterized by infidelity, mistrust, break

ups and affairs with people from other communities or culture. It is testing time for the love relationships of Capricorn Moon Sign people.

Expectations and frustrations will go hand in hand this year motivating Makar Rashi people to look for other options out of the existing relationships. But, such thoughts and actions will lead to feelings of guilt and the process to compensate for the guilt will be more stressful than expected. Overall, Capricorn Moon Sign people will be highly confused and unstable regarding their love lives in 2018.

So, they are advised to keep their expectations from their romantic partners to practical levels. They must understand that they could actually spoil an existing happy relationship in attempts to make it more fulfilling and meaningful. Self imposed deliberate dedication to the relationships and trust on the beloved is the only key to a happy love life for Makar Rashi people in 2018.

MARRIAGE: Marriage prospects for 2018 for Capricorn or Makar moon sign born people:

2018 is a bad year for marriages and married lives of Makar Rashi people. Most married Capricorn Moon Sign people will face complex and seemingly unsolvable problems in their marriages in this year. Many may end up being separated or divorced in 2018.

The health and behaviour of the spouse will create worries and stress for Makar Rashi people. Strangely, the more they try to solve the problems the more complex will be the issues. The best remedy is to not to try to change anything and stay very relaxed instead.

Capricorn Moon Sign people will be tempted several times in 2018 to stray from their marriages. But, in order to acquire the bird in the bush they could let the bird in hand fly away. Patience and dedication towards their spouses and marriages is the only way to remove the confusions and temptations.

They must remember that it is Rahu which is creating all the great expectations from their marriages, in their minds. No one else has changed, but their own perceptions about the relationships have changed. Illusions may seem real but they are never long lasting.

FAMILY: Prospects related to family and relatives for 2018 for Capricorn or Makar moon sign born people:

Relations with family members and relatives will be on rocks in 2018, for Capricorn Moon Sign people. Parents' health will require more attention till October 2018. March to November is a time period for high worries regarding mother's health where March and April can be unusually difficult.

Siblings will be more supportive towards Makar Rashi people in 2018 but they may have some serious professional problems this year. Some issues related to family assets and properties can cause disagreements and souring of the relations with the family members and relatives in

2018.

The children and other dependents of Capricorn Moon Sign people will do extremely well in their own respective areas of performance.

In 2018, Makar Rashi people must not take any hasty decisions regarding family, relatives or family assets. They should try to be more patient and less demanding this year.

TRAVEL: Travel prospects for 2018 for Capricorn or Makar moon sign born people:

Capricorn Moon Sign people should travel in 2018 only when it is very necessary to do so. The travels will be stressful for the health and they can be quite heavy on the pockets too. But, 2018 is good for those Makar Rashi people who are trying to migrate to other nations or to go overseas for work or studies.

Health and personal safety must be given topmost priority by Capricorn Moon Sign people during their journeys, holidays and vacations in 2018. The best time to go on travels, in 2018, is in March, May, September, November and December.

REMEDIES: Jyotish remedies for 2018 for Capricorn or Makar moon sign born people:

In 2018 too, Makar Rashi people should avoid Gray and Black colours. They should avoid Yellow and Red till October 2018. Instead they should focus more on wearing and using Light Blue, Green, Purple, White and Brown.

Capricorn Moon Sign people can wear White sapphires in silver rings or lockets as gemstones for Venus in 2018. The best time for this is in March, April, May, September and December 2018.

In 2018 too, just like in 2017, they should not keep any fasts and should focus instead on timely and nutritious food plus plentiful sleep and rest.
