

Gemini - Mithun - Moon Sign - 2020 - Jyotish Forecast.

The health of Gemini Moon Sign people will improve in 2020. The relations with family members and parents will be better than before. The income and wealth both will increase. Business will expand through collaborations. There could be a small break and change in job succeeded by good rise in career. Love life will be meaningful and satisfactory. 2020 is a good year for getting married. There will be several frequent and enjoyable travels.

HEALTH: Health prospects for 2020 for Gemini or Mithun moon sign born people:

2020 will be slightly better year than 2019 in terms of health, for Gemini Moon Sign people. Their focus on improving the health will be more than the previous five years and they will succeed to much extent in changing the lifestyle for better health. Some Gemini Moon Sign people who have a tendency to gain weight easily will have to be more alert about this from April 2020 to July 2020. They could become too lazy and could be involved in uncontrolled indulgences and highly sedentary lifestyle during these four months.

The ailments which can trouble Gemini Moon Sign people in 2020 are obesity, migraine, joint pains, kidney problems and problems related to lower spine. In April and May 2020 there are high chances of injuries and mishaps. But, for those Gemini Moon Sign people who are planning to undergo a surgery in 2020 April and May 2020 are best months for that purpose.

JOB: Job prospects for 2020 for Gemini or Mithun moon sign born people:

2020 is a year full of both ups and downs for Gemini Moon Sign employees. After initial growth and stability in job in the first three months of this year, some sudden negative developments and setbacks will come up in the period from April to June 2020. Some Gemini Moon Sign employees could lose their jobs if they are not cautious enough. But, if they are somehow able to go through this difficult phase their careers will have very steep rise in the second half of 2020.

This year 2020 is good for Gemini Moon Sign employees who are in fields related to engineering, biotechnology, education, training, security, investigation, insurance, designing and space sciences. The best months for joining a new job and progress in career are February, March, August and September 2020. There are high chances of promotion or increase in salary in September and October 2020.

BUSINESS: Business prospects for 2020 for Gemini or Mithun moon sign born people:

In 2020, Gemini Moon Sign entrepreneurs will have many offers to work in partnership or collaboration with seemingly well capable businesspersons or companies. These offers will come first in the first three months of 2020 but things will somehow not work out well till July 2020. So, Gemini Moon Sign businesspersons are advised to take their time to do proper study and homework about such proposals of joint ventures and not to sign any deals before July 2020. July, August and September are favorable months for inking new partnerships and collaborations.

The business will grow well and the income of Gemini Moon Sign entrepreneurs will increase substantially in 2020. The business expenses will be greatly reduced this year. But, in April, May, June and December 2020 there are high risks of losses due to unexpected reasons. These losses could be related to theft, accidents and other mishaps. Gemini Moon Sign businesspersons are advised to stay up to date and alert about the safety and security of their business assets and to make sure that the insurance and other safeguards are done properly.

EDUCATION: Education prospects for 2020 for Gemini or Mithun moon sign born people:

The Gemini Moon Sign students of architecture, civil engineering, aeronautical sciences, surgery, medicine, education, law and philosophy will perform exceptionally well in their studies and important examinations in 2020. For other students too this year will be much better than the previous year in terms of progress in academics. All they have to do is to take care of health and not to waste too much time and energy on matters related to friendships and love.

From April to July 2020, Gemini Moon Sign students will find good opportunities to study in distant educational institutions either in same country or in a different nation. Those students who are seeking admissions in foreign universities will find it much easier to do so in these four months of 2020. But, for those who like to while their time in indulgences and wasteful activities, these four months can be quite devastating for their studies. They must be more disciplined and focused during this period.

2020 is favorable year for Gemini Moon Sign students who want to study foreign languages. The best time period for learning a new language or to do advance courses in a foreign language is from February to August 2020. This period is also good for students or fine arts, acting, dance, music, advertising and film making.

WEALTH: Wealth prospects for 2020 for Gemini or Mithun moon sign born people:

Gemini Moon Sign people will experience a general increase in income, savings and wealth in 2020. They will become more conscious about their expenses and will try to reduce them by modifying their requirements and lifestyles too. By the end of 2020, Gemini Moon Sign people will become quite stable financially and they will be very satisfied about their income too.

This year, Gemini Moon Sign people can invest in bullion, precious stones, stocks, bonds and property too. The main aim behind the investments of Gemini Moon Sign people in 2020 will be to have regular income in form of returns from these investments. Such long term planning about finances and investments will surely give them good returns in future.

REAL ESTATE: Property related prospects for 2020 for Gemini or Mithun moon sign born people:

Many Gemini Moon Sign people will buy new real estates in 2020 and some such deals will be in joint names with either a parent or spouse or business partner. But, they should try to keep these properties till 2022 and should not be in a hurry to sell them. Any such hurry can create a lot of problems for them. Most such purchases by Gemini Moon Sign people will be to have some sort of rental income from these properties.

For buying residential properties February, March, July 2020 and September are best months. For commercial properties, February, July and September 2020 are very favorable months. Gemini Moon Sign people should avoid buying or selling properties in April, May, June and December 2020. But, renovation or interior decoration work on existing properties can be done during these three months.

VEHICLE: Prospects related to vehicles for 2020 for Gemini or Mithun moon sign born people:

For buying new vehicles for personal use February, June, July and December 2020 are good months for Gemini Moon Sign people. For buying commercially usable vehicles February, July and August 2020 are best months. Those Gemini Moon Sign people who buy new vehicles in period from April to July 2020 could go overboard with their budget and could end up buying more expensive and luxurious than what was planned by them.

April, May, June and December 2020 are not suitable months for buying commercial vehicles. April and May 2020 are also the months when the risk of accidents and mishaps related to vehicles is at its peak in 2020. So, Gemini Moon Sign people must drive very carefully during these two months. In 2020, Gemini Moon Sign people should avoid driving long distances all by themselves. They should always try to have a driving companion or a friend with them when going on long drives in 2020.

LOVE: Love and Romance prospects for 2020 for Gemini or Mithun moon sign born people:

The love life will become very satisfying, meaningful and happy in 2020. Gemini Moon Sign people will feel as if they have found their soulmates. The expectations from each other will be quite realistic and a lot of understanding will exist in the love relationships of Gemini Moon Sign people in 2020. But, they will also be not very tolerant towards unwanted shows of affection,

emotional tantrums and displays of jealousy from their romantic partners. Gemini Moon Sign people will be too ready to end the love relationships if they are not smooth and meaningful.

The love relationships formed in 2020 will be for long term. Many love affairs which will blossom in 2020 will convert into marriage in next few years. Gemini Moon Sign people will be eager to be devoted and will expect the same kind of devotion towards the relationships from their partners.

MARRIAGE: Marriage prospects for 2020 for Gemini or Mithun moon sign born people:

For most parts of the year 2020 Jupiter will be in a favorable transit for Gemini Moon Sign people. This beneficial effect of Brihaspati will create several auspicious yogas for marriage for them. Most Gemini Moon Sign singles who are planning to get married will get married in 2020. The best months for Gemini Moon Sign people for marriage ceremony and related functions are January, February, July, August and October 2020.

For those Gemini Moon Sign married people who are going through unhappy marriages 2020 can bring about a decisive end to their relationships. For the married life, March to June 2020 is a bad period. The conflicts can escalate suddenly and there can be very ugly situations due to these conflicts. These are also the months when loss of money and reputation due to marital problems are possible. A lot of caution and patience should be kept by Gemini Moon Sign married people in these four months of 2020.

FAMILY: Prospects related to family and relatives for 2020 for Gemini or Mithun moon sign born people:

The relations of Gemini Moon Sign people with parents, siblings and other family members will improve a lot in 2020. Last year 2019 was bad for family affairs but 2020 will be comparatively peaceful and meaningful to great extent. The siblings of Gemini Moon Sign people will become more understanding and cooperative this year. The children will do well in 2020 and one of the children will travel either to a distant city or to another country for education or work.

But, with the in-laws, the relations could become bad in 2020. Issues related to money and mutual respect will create misunderstandings and conflicts. The situation will be at its worst in February, March and April 2020. Still, the in-laws will stay very supportive towards Gemini Moon Sign people as and when there is a requirement in 2020.

TRAVEL: Travel prospects for 2020 for Gemini or Mithun moon sign born people:

In 2020, Gemini Moon Sign people will go on many meaningful, unplanned but enjoyable travels. Most of their journeys will have spiritual or religious purposes or they will include some kind of spiritual activity. Gemini Moon Sign people will travel mostly with their loved ones, spouse or close friends, in 2020. From April to July 2020 their travels will involve more pleasure

than work. But, from August to December 2020 they will travel mainly for work.

In their travels in January, April and May 2020 Gemini Moon Sign people should stay more alert about protecting their valuables and luggage from theft. In February and March health precautions should be taken regarding indigestion, food poisoning and infections of urinary system.

Gemini Moon Sign people will feel very adventurous and will be eager to take part in all kinds of adventure sports activities in 2020. But, this year, they will be very cautious about their money and expenses, and this will help them enjoy their travels and holidays in a wiser and more meaningful way.

REMEDIES: Jyotish remedies for 2020 for Gemini or Mithun moon sign born people:

Till October 2020, Gemini Moon Sign people should avoid wearing Gray and Black colours. They should also try to wear less of Red and Pink this year, mainly in months of January, February, March and April 2020. The best suitable colours for them for clothes, personal belongings and other important items are Light Blue, Green, Pale, Cream and Violet.

If possible, the Gemini Moon Sign people should keep fasts on Tuesdays in the first five months of 2020. They should abstain from consuming alcohol and other intoxicating products in April, May, June and December 2020.
In gem therapy, the most beneficial gemstones for Gemini Moon Sign people in 2020 are Hessonites for Rahu and Emeralds for Mercury.
