

Libra - Tula - Moon Sign - 2020 - Jyotish Forecast.

The health of Tula Rashi people will improve a lot in 2020. They will do very well in their jobs and businesses. 2020 is a highly favorable year for getting married. There will be frequent long distance travels. This year is also good for buying real estate and for shifting to new residence. There will be good progress in studies. The love life will be adventurous and secretive from time to time.

HEALTH: Health prospects for 2020 for Libra or Tula moon sign born people:

Most Libra Moon Sign people will experience good improvement in health in 2020. There will be no major worries about health. But, for those Tula Rashi people who have had a history of heart trouble and high blood pressure, 2020 can be little more difficult than previous two years, mainly in April, May, June, November and December 2020.

Other health issues related to kidneys, pancreas, liver, ears and nervous system can trouble Libra Moon Sign people in 2020, but not in a major manner. Tula Rashi people should stay physically active in 2020 but they should give emphasis to plenty of rest too. Too much work and travelling can have an indirect toll on their health this year.

JOB: Job prospects for 2020 for Libra or Tula moon sign born people:

It is very likely that in the first four months of 2020 only Libra Moon Sign most employees will change jobs or they will be promoted to better positions but in different branches of same company. For them, there will be a substantial increase in salary and also in the perks associated with the new position. 2020 is going to be an interesting, beneficial and a memorable year for Tula Rashi employees.

Some Libra Moon Sign employees could decide to improve their educational qualifications by joining full time or part time courses as per their convenience, in 2020. This will have long term positive effects on their careers. 2020 will bring about frequent work related travels for Tula

Rashi employees. Their social image at work will improve and they will have very good relations with their seniors, colleagues and juniors at work.

BUSINESS: Business prospects for 2020 for Libra or Tula moon sign born people:

In February and March, many Libra Moon Sign entrepreneurs will get offers for business partnerships or joint ventures, but the final inking of the deals may be done only in April 2020. The business will grow fast and with good stability from April 2020 onwards. This year will be exceptionally good for Tula Rashi businesspersons who are doing foreign trade and importing or exporting products or services. Other Libra Moon Sign businesspersons too who are earning foreign exchange through businesses like travel, tourism and online work, will earn well in 2020.

The costs of business will be much in control in 2020, but in April, May and June 2020 Libra Moon Sign people could be investing more money in their businesses. A major part of cost of business for them in 2020 will be on machinery, labour and commercial property. After several years the positive effect of Saturn will be felt on their businesses in 2020 and it will help them in making their businesses more stable and profitable.

EDUCATION: Education prospects for 2020 for Libra or Tula moon sign born people:

Tula Rashi students will be very devoted and dedicated in their studies in 2020 and they will have good results too in return, but in May, June and December 2020 there can be some temporary hindrances in their studies due to ill health, financial issues or problems related to residence.

The best months in 2020 for Libra Moon Sign students for appearing for important examinations are March, April, August, September and October. Although 2020 will be good for all Tula Rashi students, it will be exceptionally favorable for students of subjects related to engineering, cardiology, electronics, information technology, architecture, metallurgy, archaeology and geology.

WEALTH: Wealth prospects for 2020 for Libra or Tula moon sign born people:

2020 will be financially very fulfilling year for Libra Moon Sign people. They will earn well, they will be able to invest the money well, and, they will save more money in 2020 compared to past five years. They will increase their liquid and fixed assets by investing in bullion and real estate.

In April, May, June and July 2020 Tula Rashi people have high chances of gaining some big amounts of money either through a lottery or an inheritance. Such gains will happen in quite surprising ways. These four months' period is also a time when Libra Moon Sign people can regain money or assets which they have been considering as lost forever through wrong investments or through loans given away to people.

REAL ESTATE: Property related prospects for 2020 for Libra or Tula moon sign born people:

From February 2020 onwards all months of 2020 are good for Libra Moon Sign people for buying residential and commercial real estate. But, they should be careful not to increase the burden of debt too much in their eagerness to buy high value properties. 2020 is also a favorable year to build a house and to shift into a new residential accommodation. The best months for entering a new house are February, April, September and December 2020.

This year, Tula Rashi people will buy properties for long term and primarily for using them personally. Also, they will get major renovations in their existing homes and offices this year. Some legal troubles related to real estate can arise in April, May and December 2020. So, Libra Moon Sign people should ensure that the issues related to property taxes, fire safety, and other property related laws are properly taken care of, in 2020.

VEHICLE: Prospects related to vehicles for 2020 for Libra or Tula moon sign born people:

Libra Moon Sign people can buy both used and new vehicles for personal or commercial use in 2020. The best time for them to buy vehicles is in February, March, September, October and December 2020. They should avoid buying new vehicles in June, July and November 2020.

Tula Rashi people will prefer sturdy and fuel-efficient vehicles to luxurious and high status ones in 2020. They will go on long drives quite frequently, driving their vehicles themselves during such drives. But, they should be careful about the safety of themselves and their vehicles in April, May and November 2020.

LOVE: Love and Romance prospects for 2020 for Libra or Tula moon sign born people:

In the first three months of 2020, Libra Moon Sign people will be eager to take all risks in matters of love. They will be fearless, challenging, and adventurous in their amorous pursuits. Then, in April, May and June 2020, they will turn very secretive and discreet about their love affairs. In these three months they are very likely to have secret love relationships.

But, the spirit of adventure will return in July and all the love secrets of Libra Moon Sign people will come out in open. The situation can turn very energetic, aggressive and even ugly, if they allow things to go out of hand in their eagerness to display boldness and courage. If Tula Rashi people are not able to build mutual trust and to display devotion and commitment in their love relationships in August and September 2020, then their love affairs can end with a big bang in October or November 2020.

MARRIAGE: Marriage prospects for 2020 for Libra or Tula moon sign born people:

Highly auspicious transits of Jupiter and Saturn are forming powerful yogas for marriage for Libra Moon Sign people in February, March, April, August and September 2020. This is a year when even those Tula Rashi people who want to get married but have now given up all hopes of marriage, will get married.

For those unfortunate Libra Moon Sign married who stuck in unhappy marriages, 2020 can bring about end of existing situations in form of divorce or separation. For them, the legal proceedings can become too harassing in June, July, October and November 2020.

FAMILY: Prospects related to family and relatives for 2020 for Libra or Tula moon sign born people:

April, May, June and December 2020 can be difficult for the health of the parents of Libra Moon Sign people, especially for their mothers. The situation could turn critical all of a sudden requiring urgent medical care. But, the relationship of Tula Rashi people with their parents will be much better than 2019, with mutual trust and affection returning in the relationship from February 2020.

The siblings of Libra Moon Sign people will demand urgent attention due to some unexpected problems in February and March 2020. But, the outcome will be good and all problems will be solved easily. The children and dependents of Tula Rashi people will do well in their respective careers and education, but in May and June 2020 one or more of the children could suffer from some health or behavioral issues which could force them to spend more time at home.

This year, in April, May, June and July 2020, Tula Rashi married people will be unusually attached and inclined towards their in-laws. Some such Libra Moon Sign people could gain surprisingly, either monetarily or in form of assets and gifts, from their in-laws in 2020.

TRAVEL: Travel prospects for 2020 for Libra or Tula moon sign born people:

Libra Moon Sign people will travel frequently and far and wide in 2020. But, most of their journeys will be unplanned and on very short notices. The main reasons behind their travels this year will be to expand the business, for troubleshooting related to work, for legal matters and for attending family functions. They will find quite less time in 2020 for going on holidays and sightseeing.

Many Libra Moon Sign people will try to move abroad for work in 2020. But, they will initially face some unexpected obstacles in such attempts. Then, they will be required to move when they are least prepared for it. But, Tula Rashi people will gain both monetarily and professionally through their travels in 2020.

The best time in 2020 for going on long distance and long term journeys is in January, February, April, August and September 2020. June, July and November 2020 are not conducive months for such journeys.

REMEDIES: Jyotish remedies for 2020 for Libra or Tula moon sign born people:

After seven years Tula Rashi people have highly auspicious transit of Saturn in their horoscopes, from February 2020 onwards. They can wear gemstones for Saturn either in February, March or October 2020. The best gemstone for Saturn for them this year is Blue Sapphire. Those Libra Moon Sign people who have both Saturn and Mars in yogakarak placements in their horoscopes can wear purple sapphires too.

Tula Rashi people should not wear Yellow garments and should avoid this colour in their other things of day to day use too in April, May, June and December 2020. If their health permits they should keep fasts on Thursdays during these four months. This year they can safely wear and use all shades of Blue, Green, Gray, Black, Purple and Violet.
