

Pisces - Meen - Moon Sign - 2021 - Jyotish Forecast.

Meen Rashi people will earn well and spend well in 2021. But, this is a year when they should be very careful about money. Own Health and health of the parents should be a priority this year for Pisces Moon Sign people. 2021 is a favorable year for studying in foreign universities. There are very few good yogas for marriage this year. The travels will be frequent and useful. 2021 is not good for buying new vehicles.

HEALTH: Health prospects for 2021 for Pisces or Meen moon sign born people:

2021 is not a good year for Pisces Moon Sign people regarding health and personal safety. They should be more careful about health and should avoid situations which can put them in danger of accidents and other mishaps. The highest chances of accidents are in January, February, September and October 2021. In these four months the Meen Rashi people are under health risks related to arthritis, stroke, kidney troubles and paralysis.

From April to August 2021 and then again in November and December 2021, Pisces Moon Sign people should watch out for health issues related to liver, blood sugar, cholesterol and general weakness. Their pre-existing illnesses could also become more intense during these months. Their focus on health, food and lifestyle should be high during all months of 2021. This is not a year for Meen Rashi people for being reckless and carefree about health and personal safety.

JOB: Job prospects for 2021 for Pisces or Meen moon sign born people:

The job related developments will be more predictable and meaningful for Pisces Moon Sign people, in 2021. But, they can expect big changes in the job scenario this year, more so in the first four months of this year. Change in job profile, relocation to another city, promotion to a higher post or a job profile requiring more travelling, any one of these changes can happen in the careers of Meen Rashi employees in 2021. 2021 will be more beneficial for the Pisces Moon Sign employees who are in industries related to engineering, construction, architecture, accounting and entertainment.

April to September 2021 can be more stressful months for Pisces Moon Sign employees as compared to the other months of 2021, although the work pressure will remain high throughout the year 2021. But, in 2021, they will get good and timely results of their efforts, as compared to the last two years. The relations with the seniors and colleagues at work will improve a lot this year. In 2021, Meen Rashi employees will be ready to take up all challenges and risks to finish their tasks satisfactorily.

BUSINESS: Business prospects for 2021 for Pisces or Meen moon sign born people:

In 2021, the Pisces Moon Sign entrepreneurs must control their expenses. There can be unreasonably high expenses, losses and bad investments in 2021, mainly from April to September. The income will be high too, mostly in January, February, March and October but if the expenses are not in control then there will be more losses than gains for Meen Rashi businesspersons in 2021.

But, this yoga for losses and expenses can be converted into beneficial yogas too by those Pisces Moon Sign entrepreneurs who have plans to put in big money into their business for long term growth of business. Such investments should be done in the months of April, May or December 2021.

2021 will be unexpectedly good for those Meen Rashi businesspersons who are in businesses related to heavy machinery, construction, consumer goods, human resources, finance and entertainment. But, again, these Pisces Moon Sign businesspersons should heed to the warning about expenses going out of control if they want this year to be truly profitable.

EDUCATION: Education prospects for 2021 for Pisces or Meen moon sign born people:

January, February, March and October 2021 are auspicious months for Pisces Moon Sign students for success in academic pursuits. For those Meen Rashi students who want to go abroad for higher education April, May and December 2021 are favorable months for this purpose. But, such Meen Rashi students must be careful about their health and expenses when applying for foreign studies and also when travelling abroad for higher studies, from April to September 2021.

This year is more favorable for Pisces Moon Sign students of Architecture, engineering, political science, media, medicine and space research. This year is also favorable for those pursuing degrees and courses in law, education and religious subjects.

WEALTH: Wealth prospects for 2021 for Pisces or Meen moon sign born people:

2021 will be a good year for Pisces Moon Sign people in terms of earning money and increasing wealth if they are cautious about their expenses. Their regular incomes will increase and they will earn from other different sources too including income from real estate and from redemption

of investments. But, they should do their homework properly before investing money in new investment options.

In 2021, Meen Rashi people will spend mainly on health, travels, education, legal problems, extravagances and repayment of debts. This is a year to be very wise about money.

REAL ESTATE: Property related prospects for 2021 for Pisces or Meen moon sign born people:

July, August and September 2021 are favorable months for buying residential real estate, for Pisces Moon Sign people. These are also auspicious months for house warming functions, entering a new house or for other formal deals and activities related to residential properties. Before July 2021, there are no good yogas for Pisces Moon Sign people for acquiring a new house or for entering a new house, in this year.

For commercial properties, January, February, March and October are favorable months for Meen Rashi people in 2021. But, they should watch their budgets and think of the actual necessity when buying or remodeling commercial real estate in 2021. Too much ambition can spoil their plans and the budget both creating long term financial troubles.

VEHICLE: Prospects related to vehicles for 2021 for Pisces or Meen moon sign born people:

2021 is not at all a favorable year for Pisces Moon Sign people, for buying a new vehicle, either for personal or commercial use. The transits of all important planets are not good and do not support buying a new vehicle. But, if they want to buy a used vehicle then they can buy the same in June, July and August 2021.

When buying used vehicles in 2021 the Meen Rashi people must be extra careful when checking the documents and condition of the vehicles being sold. Any negligence or oversight and they could end up spending more than they had planned on repairs and maintenance of such vehicles.

In 2021, in the months of January, April, July, August, October and November, Pisces Moon Sign people should be more alert than usual when driving their vehicles as the chances of meeting with accidents and mishaps are quite high during these months. During these months they should always double check the fitness and roadworthiness of their vehicles before going on any long drives.

LOVE: Love and Romance prospects for 2021 for Pisces or Meen moon sign born people:

Lack of devotion, risky behaviour, affairs with people of bad character and other irresponsible

actions can mar the love life of Meen Rashi people in 2021. They will not be bound by limits of age, character or behaviour when seeking their partners in 2021. And, this can cause them much misery and troubles later on as in the latter half of 2021.

Money matters, rivalries and greed can come up frequently in the love relationships of Pisces Moon Sign people in 2021. Most of the times it will be their own unethical ideas and desires which will make the relationships turn sour. For Pisces Moon Sign people, direct or indirect interference from their friends and acquaintances can also be a big reason for the failure of love affairs in 2021.

MARRIAGE: Marriage related prospects for 2021 for Pisces or Meen moon sign born people:

In 2021, only four months, January, February, March and October, are somewhat favorable for the purpose of getting engaged or married, for Pisces Moon Sign singles. All other months of this year are very inauspicious. In fact, Meen Rashi people should try to avoid getting married in 2021. They should instead postpone all plans for marriage till June 2022.

For Pisces Moon Sign married people, financial troubles, high expenses, legal problems and extra marital affairs can spoil the happiness in the married life in 2021. This is a year to be very cautious, patient and devoted. It will be really difficult for Meen Rashi people to stay committed to their vows of marriage in 2021. Those who are facing troubles related to marriage this can be a tough year and the problems can increase substantially between April and September 2021.

FAMILY: Prospects related to family and relatives for 2021 for Pisces or Meen moon sign born people:

From April to August 2021 and then again in November and December 2021, Pisces Moon Sign people should be more alert about the health and welfare of their parents. But, their health issues will not be serious and will be more or less easy to manage and cure. These same months are important in terms of taking care of family assets, money and investments. Pisces Moon Sign people could gain monetarily from their parents during these above mentioned months.

Due to some or the other reasons the siblings of Meen Rashi people will continue to ask for more direct or indirect help. Their health, behaviour and welfare too will become a concern for Pisces Moon Sign people, mainly in January, February, March, October and November 2021. The children and other dependents of Meen Rashi people will be okay for most parts of this year 2021, requiring a little more than usual attention only in February, August and November.

TRAVEL: Travel prospects for 2021 for Pisces or Meen moon sign born people:

There will be many short and long term travels for Pisces Moon Sign people in 2021. Most of

their travels will be useful and meaningful. They will travel for work and pleasure both and will also be able to travel to their dream destinations in 2021. The best months in 2021 for Meen Rashi people for important journeys are January, March, October and December 2021. April, May, August and November 2021 are not good months for any important and long distance travels.

2021 is also a favorable year for those Pisces Moon Sign people who are trying to relocate to other cities or to migrate to other nations. For that purpose June, July and December are very suitable months this year. But, during all their journeys and their attempts to relocate Pisces Moon Sign people should be careful about their expenses and health, in 2021. There are high chances of Meen Rashi people being scammed or cheated by unscrupulous people during their travels this year.

REMEDIES: Jyotish remedies for 2021 for Pisces or Meen moon sign born people:

2021 is not an auspicious year for wearing any gemstone for Jupiter. Instead, Meen Rashi people can wear gemstones for Moon and Mars this year. For Moon they can wear Moonstones or Pearls and for Mars they can wear Vermillion or Red corals. The best months for Pisces Moon Sign people for wearing gemstones for Mars are January, February, May, September and December 2021.

This year Pisces Moon Sign people should wear more of Brown, Red, Pink and White colours. They should avoid wearing Black, Purple, Yellow and Green in 2021. These colours related precautions should be taken when considering colours of their other belongings, their personal spaces and their vehicles too. In 2021, Meen Rashi people should keep fasts on Saturdays in the months of January, February, March, September, October and November, for good health and general prosperity.
