

Cancer - Karka - Moon Sign - 2022 - Jyotish Forecast.

Work related stress will rise in 2022 but, at the same time, the work will expand and progress at good speed. High levels of stress can give rise to health problems. Financial worries will decrease as the income and savings both will increase. There will be frequent and enjoyable travels. Karka Rashi students will perform very well in 2022. Concerns about parents' health and welfare will increase. There are not many favorable yogas for getting married in 2022.

HEALTH: Health prospects for 2022 for Cancer or Karka moon sign born people:

In the first four months of 2022 the Cancer Moon Sign people are at a risk of suffering from liver ailments, high blood sugar, high cholesterol, poor digestion and allergies. From May 2022, these problems will be much reduced but the focus will shift to other health issues like heart problems, hypertension, respiratory issues, neurological problems, joint pains, fevers and kidney troubles.

So, keeping these health risks in mind the Karka Rashi people should develop a healthy lifestyle in 2022. The key to their health in 2022 will be food and drinks. They should strictly control their diet to stay healthy in 2022. Cancer Moon Sign people will also have a lot of work related stress in 2022. That too can cause their health issues to flare up. So, yoga, meditation and other spiritual activities are advised for them to reduce the stress and to be healthier.

JOB: Job prospects for 2022 for Cancer or Karka moon sign born people:

2022 begins on a stressful note and Cancer Moon Sign employees are either sitting without jobs or are planning to leave their jobs to do something else in the beginning of this year. 2022 is going to be a stressful but adventurous year for Karka Rashi employees. They will be much disappointed by their existing jobs and the working conditions and these feelings will increase further from April 2022.

But, the more they try to improve the situation at work the more stressful it will become. All attempts to change the jobs for better job positions will not change the stress in the work life in

any way. There will be lack of appreciation and recognition from their seniors at work and the harder they work the worse the situation will become. But, if they work in a relaxed and non-serious manner without any big expectations then the things will be surprisingly better and more in their favour. So, 2022 is a time to stop slogging, to relax and to flow with the flow.

Many Cancer Moon Sign employees will become eager to start another side-job or a business to satisfy their inner desires to achieve something bigger in life. Their efforts will give some good results and they will become busier too but the satisfaction about work will still elude them in 2022.

BUSINESS: Business prospects for 2022 for Cancer or Karka moon sign born people:

From the very beginning of 2022 there will be challenges and difficulties for Cancer Moon Sign entrepreneurs. The challenges will motivate them to improve their business strategies and the difficulties will make them more aware of what mistakes they have been making. In short, for Karka Rashi businesspersons, 2022 is a year of learning and making necessary changes in the businesses.

From April 2022, the desires to expand and diversify the existing businesses will become stronger. Cancer Moon Sign entrepreneurs will also begin to plan other businesses as the existing ones will seem somewhat boring or meaningless to them. But, such diversions of time, money and energy to other business ideas will harm their existing businesses a lot. In attempts to get the bird in the bush the Karka Rashi businesspersons can end up losing the bird in hand too.

So, they should be more patient and as and when there is any new business idea it should be implemented on a small scale and in a casual way only. It is better to allow the small business to grow bigger gradually than to spend a lot of time and money to start it in a big way.

EDUCATION: Education prospects for 2022 for Cancer or Karka moon sign born people:

The studies of Cancer Moon Sign students will have some hitches and difficulties in the first three months of 2022 but from April there will be good progress and a remarkable jump in the success in their academic pursuits. The discipline, dedication and hard work in their studies will increase and this will be reflected in performance in all important examinations too.

Those Karka Rashi students who are aiming to appear for important but difficult examinations should attempt the same after April 2022. The time after April 2022 is favorable for Cancer Moon Sign students for getting admissions in distant educational institutions. Many Karka Rashi students will succeed in joining foreign universities in 2022. The Cancer Moon Sign students of law, education, philosophy, medicine, engineering, media, tourism and journalism will find this year unusually beneficial for their studies.

WEALTH: Wealth prospects for 2022 for Cancer or Karka moon sign born people:

In the first quarter of 2022 the income related worries and the need for more money will keep on troubling Cancer Moon Sign people. But, from April 2022, these worries will reduce to great extent and with each passing month the satisfaction regarding money and wealth will increase. From April 2022, the useless expenses and losses of Karka Rashi people will reduce and only necessary but useful expenses will be there. So, they will be able to plan their earnings, expenses and investments in a much better way.

In 2022, CMs people will spend money mainly on travels, business, religious activities and health. They will invest money in stocks, bonds and bullion too, in 2022.

For most Cancer Moon Sign people the process of buying new properties will begin from January 2022 itself but the final agreements could be delayed till March or April 2022. For buying commercial real estate in 2022, January, March, August and September are favorable months for Karka Rashi people. For residential properties, April, May, July and August 2022 are the most suitable months. In 2022, Cancer Moon Sign people will be able to acquire residential properties which will be much to their likings and they will be quite satisfied with such acquisitions too.

Many Karka Rashi people will shift to new residences in 2022. They will go for modest but useful places of living instead of the properties which are too pricey and which can put a big strain on their budgets. Most of the proceedings regarding buying houses and shifting to new homes will be quite smooth and as planned, in 2022.

VEHICLE: Prospects related to vehicles for 2022 for Cancer or Karka moon sign born people:

Cancer Moon Sign people do not have many favorable yogas for buying new vehicles in 2022. So, they should avoid buying new vehicles this year. Still, those Karka Rashi people who want to get a new car or SUV can buy their desired vehicles only in May, July and August 2022. All other months of 2022 are not at all favorable for buying a vehicle, new or used. In 2022, Cancer Moon Sign people should avoid buying vehicles which are Grey, Black and Green in colour.

The good things about 2022 is that when the Karka Rashi people buy vehicles this year they will be quite satisfied and happy with their vehicles. They will go for the vehicles which are useful and fulfill their actual requirements instead of spending big money on expensive and high maintenance vehicles.

LOVE: Love and Romance prospects for 2022 for Cancer or Karka moon sign born

people:

The love relationships of Cancer Moon Sign people will be meaningful, happy and full of mutual understanding and devotion, in most parts of 2022. But, in May and June 2022, their dedication and devotion could be tested to the extreme by the unfavorable situation which will be created in these two months. Distractions, doubts, misunderstandings, temptations to stray and desires to be more secretive about one's affairs can destroy even the most stable of relationships in these two months of 2022.

Age will be no bar for Karka Rashi people in matters of love in 2022. And, they will be attracted more by wisdom and maturity of thoughts than by looks and appearances. In 2022, Cancer Moon Sign people will take part in some spiritual activities with their partners, or they will find new love through participation in such activities.

MARRIAGE: Marriage prospects for 2022 for Cancer or Karka moon sign born people:

In 2022, Cancer Moon Sign people have very few auspicious yogas for getting married. The earliest yoga for marriage is in the second half of April 2022. But, then for two months, in May and June, the planets are unfavorable for getting married. The next favorable time is in July and August. And, that is the end of auspicious time in 2022 for Karka Rashi people for getting married.

2022 can be very difficult for those Karka Rashi people who are married but are in unhappy marital relationships. The situation can become worse in May and June 2022. Conflicts, mistrust and doubts will increase without any big reasons and all attempts to improve the situation will fail. Also, in these two months, there is high possibility of the spouses of Cancer Moon Sign people suffering from some or the other health problems. All the problems which will occur or will get aggravated in May and June 2022 will continue to trouble the Karka Rashi married people for next three years.

FAMILY: Prospects related to family and relatives for 2022 for Cancer or Karka moon sign born people:

There will be nothing unusual in the family affairs of Cancer Moon Sign people in January, February and March 2022. But, from April, things will start changing in unexpected ways. The relations of Karka Rashi people with the parents will not be peaceful from April 2022 onwards. On one hand, doubts and mutual distrust will increase and all attempts of Cancer Moon Sign people to improve the situation will fail. On the other hand, their worries about the health, behaviour and welfare of their parents will also increase.

But, at the same time, their siblings will become more cooperative and understanding. The relations of Karka Rashi people with their children and other dependents will also improve in 2022. This year, they should be very controlled and patient in their interactions with their parents, and they should expect nothing in return from them. That is the only way they can have

some peace in family matters in 2022.

TRAVEL: Travel prospects for 2022 for Cancer or Karka moon sign born people:

In the first four months of 2022 the travels of Cancer Moon Sign people will be mostly unplanned, at short notice and will not be much useful too. These travels will be motivated more by desires to meet friends and to go for a small holiday than for work. Karka Rashi people should also be careful about health when travelling in the first four months of 2022.

But, from May 2022, the travels will be more frequent, better planned, more enjoyable, meaningful and useful too. Cancer Moon Sign people will travel long distances and will also go on spiritual or religious travels in the last eight months of 2022. Those Karka Rashi people who are thinking about relocating to other nations will be able to do so during this period.
