

Scorpio - Vrishchik - Moon Sign - 2022 - Jyotish Forecast.

The health of Vrishchik Rashi people will be good in 2022. Job progress in terms of promotions, salary increments and better job offers will happen. Business will grow and profits will increase. 2022 is a highly favorable year for Scorpio Moon Sign students. Income and wealth will increase along with expenses and debt too. It is a good year for buying new houses and offices. Love life and marriage will become less stressful and more meaningful and happy. 2022 is a good year for all kinds of travels.

HEALTH: Health prospects for 2022 for Scorpio or Vrishchik moon sign born people:

The health of the Scorpio Moon Sign people will be generally good in 2022. From the beginning of this year they will be in a high energy mode and will be feeling very confident, secure and sure about their health. Such confidence will be justified by the good health they will experience in 2022 but, there will be times when Vrishchik Rashi people will have to be more careful about their health and safety. There can be some health problems in March, April, July, October and November 2022. These months are also the high risk periods for their personal safety as the chances of injuries will be quite high.

In 2022, Scorpio Moon Sign people will have to watch out for maladies related to digestion, lower back, knees, head, skin, hair, urinary system and reproductive organs. They can also develop allergies to certain kinds of food or certain types of cosmetic products. The Vrishchik Rashi people are advised to count their calories and to eat healthy food only as they are very likely to gain more body fat in 2022.

JOB: Job prospects for 2022 for Scorpio or Vrishchik moon sign born people:

The office politics and problems due to the inefficiency of seniors and bosses will continue in the first four months of 2022 too. But, such problems will not create any big hurdles for the Scorpio Moon Sign employees in the race to a higher position in their jobs. They are very likely to get promotions and salary increments in the first four months of this year.

2022 will be a good year for Vrishchik Rashi employees. Many Scorpio Moon Sign employees will switch jobs this year. This is more likely to happen in May and June 2022. The bosses of Scorpio Moon Sign employees will be quite impressed by their work and timely rewards and appreciation will be received by them. In 2022, Vrishchik Rashi employees will not shy away from taking up new challenges at work and they will handle even the most difficult of tasks quite easily and efficiently.

BUSINESS: Business prospects for 2022 for Scorpio or Vrishchik moon sign born people:

The first four months of 2022 are not at all good for creating new business alliances or for any business partnerships. In fact, the existing business partnerships of Vrishchik Rashi entrepreneurs will be in trouble and many such partnerships can end in January, February and March 2022. These business alliances will not end peacefully and financial disputes and even legal hassles will happen.

But, from May 2022, things will become more peaceful and the Scorpio Moon Sign businesspersons will create new business understandings and partnerships in the subsequent months, avoiding the faults and follies they had done in the previous two years. The best time to create new business alliances is in May, June, July and September 2022. The Vrishchik Rashi entrepreneurs will be able to generate good profits in the months after April 2022 and their overall costs of business will be comparatively much lower too. By the end of 2022, Scorpio Moon Sign businesspersons will be very pleased with their success in their businesses in this year.

EDUCATION: Education prospects for 2022 for Scorpio or Vrishchik moon sign born people:

For the students of Vrishchik Rashi 2022 is a year when they can try their best and aim for the best in their academic pursuits, because all planetary transits are indicating and supporting great success in their studies and in all important examinations too. There will be some delays and confusions initially, in the first three months of 2022, but the Scorpio Moon Sign students will not have any kinds of setbacks through such delays. They will continue their studies as per their plans and, from April 2022, the Vrishchik Rashi students will face no delays, confusions or any other problems in their studies.

This year 2022 is good for those Scorpio Moon Sign students too who want to study in distant cities or in other countries. Most Vrishchik Rashi students will be able to get admissions in their chosen educational institutions and will get scholarships too. Even those Vrishchik Rashi people who had been planning to gain higher educational qualifications but could not do so till now will be able to fulfill such goals in 2022. This year is exceptionally beneficial for those Scorpio Moon Sign students who are studying law, education, psychology, philosophy, yoga, religious subjects, political science, sociology, architecture, finance, accounting, marketing and business management.

WEALTH: Wealth prospects for 2022 for Scorpio or Vrishchik moon sign born people:

In 2022, there will be huge and unexpected expenses done by Scorpio Moon Sign people. They will earn well and will be able to invest well too, but they will end up spending money on unnecessary things and activities too. This is more likely to happen in the months after May 2022. As a result of such high and unplanned expenses the Scorpio Moon Sign people could end up increased their overall debt too in 2022.

Interestingly, these high expenses will not be on property or vehicle. Instead, Vrishchik Rashi people will spend more on health, travels, holidays, celebrations, enjoyment and legal problems. Increasing income and success in business may create overconfidence about money in the minds of the Vrishchik Rashi people. This can be very harmful if they are not careful about their finances in 2022. They should focus more on investing their money on safe and long term investment options instead of burning it away on useless enjoyments.

REAL ESTATE: Property related prospects for 2022 for Scorpio or Vrishchik moon sign born people:

January, February, March and April 2022 are the months when Scorpio Moon Sign people can buy new residential real estate. These months are also good for shifting to new residences. In the rest of the year there are no good yogas for buying residential properties or for shifting to new homes. In 2022, Vrishchik Rashi people will not spend a lot of money on the renovations and decorations of their residences. Instead, they will try to keep their expenses as low as possible when making any changes in their homes. But, they should be prepared for unexpected problems and delays in all work related to their residential properties.

For buying commercial properties 2022 is a favorable year. Vrishchik Rashi people can buy such properties in April, May, July, August and December 2022. This year the Scorpio Moon Sign people will go all out to buy lucrative shops, factories and other commercial spaces. They will acquire that kind of commercial real estate which can give them rental income or from where they can start a new business.

VEHICLE: Prospects related to vehicles for 2022 for Scorpio or Vrishchik moon sign born people:

In January and February 2022, many Vrishchik Rashi people will buy new personal vehicles. These two months are highly auspicious for selling or buying vehicles for personal use. But, these are not favorable months for buying commercial vehicles. In 2022, April, May, July and September are good months for buying both personal and commercial vehicles. This year, Scorpio Moon Sign people should avoid driving and owning vehicles which are Green, Grey, and Black in colour. Instead, they should go for vehicles which are of Red, Orange, Yellow, Golden, White or Silver colours.

Some months in 2022 have planetary combinations which can cause accidents and damages to the vehicles owned by Vrishchik Rashi people. These months are February, March, June, July, October and November 2022. This does not mean that Scorpio Moon Sign people should not drive their vehicles during these months. This means that they should be more careful while driving and they should ensure that their vehicles are in good running condition with all safety features working properly in them.

LOVE: Love and Romance prospects for 2022 for Scorpio or Vrishchik moon sign born people:

The confusions, anxieties, temptations and instability in the love affairs of Vrishchik Rashi people which they are experiencing since more than one year will persist till April, in 2022. In the first three months of 2022, nothing concrete and decisive will happen and the Scorpio Moon Sign people will not be able to have a satisfying and fulfilling romantic relationship. The feeling that they have been putting in too much of efforts and getting too little in return will keep on pinching them in these three months of 2022.

From April 2022, all that stress and confusion will end and the Vrishchik Rashi people will feel more relaxed, less rushed and more sure about what they want in their romantic relationships. All insecurities and anxieties will become non-existent and mirages too will clear up. After April 2022, Scorpio Moon Sign people will look for more meaning, stability and devotion in their love affairs. In May, July and September 2022, they will meet interesting and likeable people with whom they will be able to have long term and fulfilling romantic relationships.

MARRIAGE: Marriage prospects for 2022 for Scorpio or Vrishchik moon sign born people:

Last one year has been a tough one for Scorpio Moon Sign married people as the stress, strains, conflicts and misunderstandings in their marriage have increased uncontrollably. This situation will continue and, in fact, it will get worse in the first four months of 2022. Those marriages of Vrishchik Rashi people which are on the brink of collapse will end in these four months. A lot of patience, understanding and down-to-earth attitude will be required by the Scorpio Moon Sign people if they intend to save their marriages.

These four months are not good for those Scorpio Moon Sign people who are unmarried and want to get married in 2022, as all efforts to find a suitable match or to organize marriage related ceremonies will fail during this period. But, all that will change for better from May 2022 and much peace and happiness will return in the marriages of Scorpio Moon Sign people. The unmarried Vrishchik Rashi people's attempts to get married will finally yield good results after April 2022. The best months in 2022 for Scorpio Moon Sign people for getting married are May, June, July, August and December.

FAMILY: Prospects related to family and relatives for 2022 for Scorpio or Vrishchik moon

sign born people:

In the first four months of 2022, the health of the parents of Vrishchik Rashi people will remain a concern. Their health issues can aggravate in February, March and April 2022. In March and April 2022, the siblings of the Scorpio Moon Sign people could require urgent help due to health problems, financial troubles or legal hassles. But, from May 2022, the health of the parents, the relations with them and the health and well-being of the siblings, all will improve greatly.

This year 2022 will bring a lot of happiness related to children for the Vrishchik Rashi people. There can be conception or birth of a child. The children and other dependents of the Scorpio Moon Sign people will make the Vrishchik Rashi people very proud by their achievements in their studies, work and other areas of life. The children will be quite well behaved and they will be able to handle their own problems very well without much interference from the Scorpio Moon Sign people.

TRAVEL: Travel prospects for 2022 for Scorpio or Vrishchik moon sign born people:

There will be several enjoyable and useful travels in 2022 and Vrishchik Rashi people will remember this year as one of the best years with regards to travels and holidays. In the first two months of 2022, Scorpio Moon Sign people will travel mainly for family matters. In March and April, business and health can be the main reasons for their travels.

From May 2022, travels of Vrishchik Rashi people will be mostly for higher education, pilgrimage, relaxation and sightseeing. In 2022, Scorpio Moon Sign people will be well able to manage both pleasure and work during their travels. Many Vrishchik Rashi people will be able to relocate to other cities and nations in 2022. All months are good for travels in 2022, but the Scorpio Moon Sign people should be more careful about their expenses and the safety of their money and valuables in July, October and November.

REMEDIES: Jyotish remedies for 2022 for Scorpio or Vrishchik moon sign born people:

Vrishchik Rashi people can wear Grey and Black colours after April 2022, but, they should strictly avoid these two colours till the end of April 2022. The other colours which Scorpio Moon Sign people should avoid this year in their clothes and other belongings are Green, Violet and Purple. The beneficial colours for them in 2022 are Yellow, Golden, Red, Pink, Orange, White and Brown.

The gemstones which are good for Vrishchik Rashi people and which they wear in 2022 are Yellow Sapphires for Jupiter, Rubies for Sun, Vermillion corals for Mars and Moonstones for Moon.

For wearing Yellow Sapphires the best time is in May, June, August and December 2022. For Rubies, February, March, August and December 2022 are the best months. Vermillion corals can be worn by them in January, February, May, June, August and December 2022.
